

Morning Star

by Barbara Groves of Me & My Sister Designs

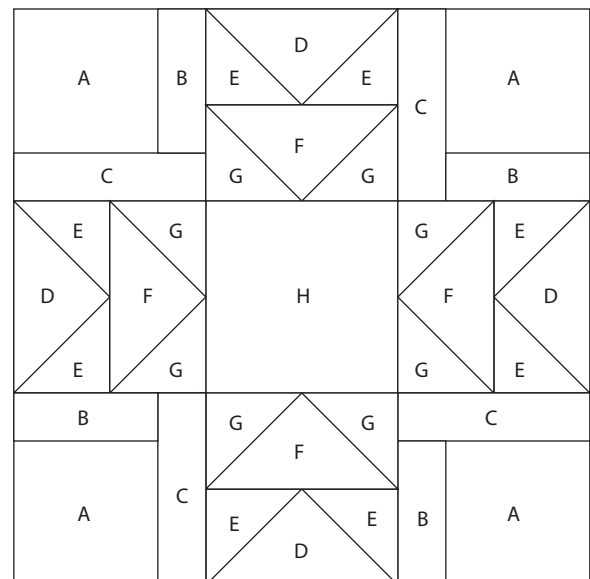

Do you jump out of bed ready to get the day started? Well, I don't, but I still consider myself a morning person. I'm slower to throw off the covers, but if I have something to do and it doesn't get done before noon, it's probably going to get put on the pile for tomorrow! I hope you enjoy sewing this fun block bright and early this morning!
