Quilter Basics

Read instructions before beginning a project.

All instructions include a ¼" seam allowance; WOF=width of fabric.

22" measurement is approximate; 22" may indicate cutting the length of a fat quarter or cutting the width of fabric strip in half

Quilt Construction

Select 2 Light Prints (2-5½"x WOF) and 2 Dark Prints (2-5½"x WOF).

Follow Steps 1 & 2 to make 3 Blocks.

Repeat to make to make a total of 48 Blocks, 10½"x10½" unfinished.

- 1 Wings:** Draw a row of 6 leaves on the smooth side of 2 strips of fusible web. Following manufacturer's directions, press a row of wings, rough side (with fusible) down, against the wrong side of 1 each of the Light and Dark Prints. Cut, on the drawn line, 6 light and 6 dark leaves.
