Lay out twelve strips (six print and six solid). Using six of the strips, lay out three print strips and three solid color strips. Starting with a print, alternate a print and a solid (Set 1). Sew together as illustrated. Repeat with remaining six strips. Starting with a solid, alternate a solid and a print (Set 2). Press all seams open.

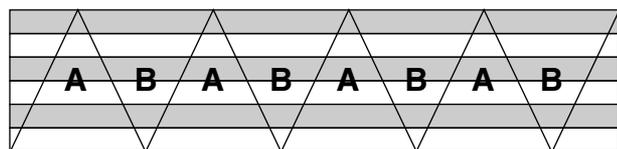

Set 1 (make 15)

Set 2 (make 15)

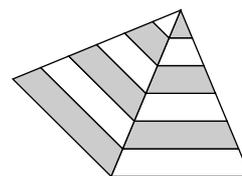

Using the template provided, cut out eight pieces, laying the template on the bottom of the strip set (A). Then turn the template to line up with the top of the strip set. This is a (B) cut.

Save leftover sets for second border.

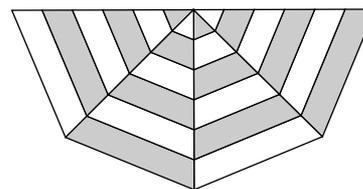

You now have four pieces with the same color arrangement (A's) and four pieces with a different arrangement (B's). (Set 1) Repeat with Set 2. Separate A's and B's. Set aside B cuts.

Lay out one section of the Set 1 cut (A's) with a section of the Set 2 (A's). Sew together sections as shown below. Make four.

Sew two sections of two sets together. Then sew remaining two sections together to make a complete octagon.

Sew background 4 3/8" triangle to block on all 4 corners to make a square. Press seams open.

Repeat with Set 1 and Set 2 (B) cuts. Sew the second block. Make fifteen A's and fifteen B's. That will make thirty blocks.

Arrange and sew together with five blocks across and six rows down.
