ASSEMBLING THE QUILT:

TIP: Always re-measure the top before adding the next strip and adjust the length of the strips as needed. Your measurement may vary according to the accuracy of your 1/4" seam allowance. This will help keep the borders from being "wavy".

Trim the 7900 Center Eagle Panel to 23"x41", centering the eagles with equal plain borders on each side. Add 6-1/2" x 41" 7902 eagle photo strips to each side of the center panel.

Measure the width of your completed panel (35") and cut two strips 326 Black Night Sky to that measurement. Add to the top and bottom of the panel.

Join (3) 3-1/2" strips 4314 Gray Woodgrain to form one long strip. Now measure the length (47") of your top, cut and add two strips to the sides.

Measure the width (41") of your quilt top, cut the (2) 5-1/2" 7901 Large Scale Scenic Print strips to size and add to the top and bottom of the quilt top. Be sure to orient the motifs in the same direction as the center eagle panel (eagles flying right side up).

Join (3) 4-1/2" x WOF 236 Gray Marble strips to form one long strip. Measure the length of your quilt top (57") and cut two strips to size. Add to the sides of the quilt top.

Join (3) 3-1/2" x WOF 423 Dusty Blue Rocks strips to form one long strip. Measure the width of your completed panel (49") and cut two strips to size. Add to the top and bottom of the quilt top.

FINISHING: Layer quilt top, batting and backing. Quilt as desired. Use the 2-1/2" 7902 Black Overall Eagle Photos strips to bind the quilt.
