M409 Yellow—1-3/8 yard—squares, inner border and binding

CUTTING:

From Block Panel 4115 Cream: Cut out 8 blocks, centering motifs and fussy cutting to measure 11" square.

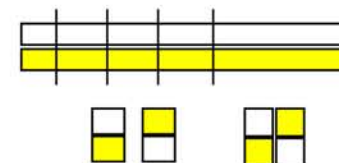

From 477 Cream Overall: cut (3) strips 5-3/4" x width of fabric, crosscut into (16) 5-3/4" squares. Cut (6) 3-1/2" x WOF strips for outer border, set aside.

From M409 White: cut (3) strips 3-1/8" x width of fabric.

From M409 Yellow: cut (3) strips 3-1/8" x width of fabric. From remaining fabric, cut (5) 3-1/2" x WOF strips for inner border AND (6) 2-1/2" strips for binding and set aside.

Small Four Patch Blocks:

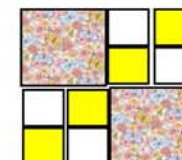

Sew together one 3-1/8" strip M409 White and one 3-1/8" strip M409 Yellow along long edges. Cross cut into (12) 3-1/8" segments, and sew together two segments to make four patch block.

Repeat with remaining white and yellow 3-1/8" strips to construct a total of 16 white/yellow four patch blocks.

Large Four Patch Blocks

Maintaining proper orientation, assemble the 5-3/4" blocks (477 Cream Overall fabric) and the 16 white/yellow four patch blocks from the previous step into 16 large four patch blocks.

Complete Center Section:

Following diagram at left and maintaining orientation of four patch blocks, assemble 11" fussy-cut Emma blocks (4115 Cream) and large Four Patch blocks into rows. Sew rows together to form central panel.

Inner Border:

Sew (M409 Yellow) 3-1/2" strips together along short edges to form one long strip. From this, cut (2) 3-1/2" x 42-1/2" side borders and (2) 3-1/2" x 48-1/2" top borders. Add side borders to central panel, then top and bottom borders.

Outer Border:

Sew (477 Cream Overall butterflies and flowers) 3-1/2" strips together along short edges to form one long strip. From this, cut (2) 3-1/2" x 48-1/2" side borders and (2) 3-1/2" x 54-1/2" top borders. Add side borders to quilt top, then top and bottom borders.

FINISHING: Layer with batting and backing fabric, quilt as desired. Use 2-1/2" M409 Yellow binding strips to bind quilt.
