CUTTING:

357 Brown Woodgrain, cut (2) 6-1/2" x 41" strips AND (3) 3-1/2" x WOF strips
Fabric 250 Green, Grass: (2) 3-1/2" x WOF strips
Fabric 250 Wheat: cut (2) 3-1/2" strips from LENGTH of fabric for side borders, THEN cut
(6) 2-1/2" x LENGTH of fabric strips for binding
Fabric 8002 Green, Large Scale Scenic: (2) 5-1/2" x WOF strips, centering motifs top and bottom
Fabric 357 Gray, Woodgrain: (3) 4-1/2" x WOF strips

ASSEMBLING THE QUILT:

TIP: Always re-measure the top before adding the next strip and adjust the length of the strips as needed. Your measurement may vary according to the accuracy of your 1/4" seam allowance. This will help keep the borders from being "wavy".

Trim the 8000 Black center panel to 23" x 41", centering the cow blocks with equal plain borders on each side.

Add 6-1/2" x 41" strips 357 Brown, Woodgrain to each side of the center panel.

Measure the width of your completed panel (35") and cut (2) 3-1/2" strips 250 Green, Grass to that measurement. Add to the top and bottom of the panel, be sure that the grass is growing "up".

Now measure the length (47") of your top, cut (2) 3-1/2" strips 250 Wheat to length and add to the sides (be sure to keep wheat properly oriented).

Measure the width (41") of your quilt top, cut the (2) 5-1/2" strips 8002 Green, Large Scale Scenic Print to size and add to the top and bottom of the quilt top. Be sure to orient the motifs in the same direction as the center cow panel, cows facing up).

Join (3) 4-1/2" x WOF strips 357 Gray, Woodgrain to form one long strip. Measure the length of your quilt top (57") and cut two strips to size. Add to the sides of the quilt top.

Join (3) 3-1/2" x WOF strips 357 Brown, Woodgrain to form one long strip. Measure the width of your completed panel (49") and cut two strips to size. Add to the top and bottom of the quilt top.

FINISHING: Layer quilt top, batting and backing. Quilt as desired. Use the 2-1/2" strips 250 Wheat to bind the quilt.
