Making Quilt top

This is a easy quilt to make.

Lay out your fabric pieces for each row as in the main diagram.

Sew the squares together pressing the seams in the opposite way each time.

This will help when you sew the rows together.

When all 15 rows are sewn joint each of the rows together to complete the quilt top.

Quilting

Sandwich quilt top, wadding and backing together.

Quilt by hand or machine as desired.

Trim backing and wadding to size.

Binding

Use your favourite method from all of the fabrics to bind the quilt.
