CONSTRUCTION:

Following photograph at left, assemble blocks, 5-1/2" and 7" sashing strips, and 1-1/2" squares into rows. Sew rows together to form central panel, arranging the hunting blocks however you like.

NOTE: Be sure to maintain orientation of hunting blocks (dogs and birds right side up) and grass blocks (grass growing up).

BORDERS:

Add two **8402 Overall Hunting**

Scenes 31-1/2" border strips to sides. Attach 4-1/2" **250 Wheat** cornerstone squares to ends of the two remaining border strips and sew to the top and bottom.

OPTIONAL: The quilt may be made larger by adding additional blocks, sashing strips and squares. Borders will need to be lengthened.

FINISHING: Layer with batting and backing fabric, quilt as desired. Use 2-1/2" binding strips to complete quilt.
