3. Sew one 2-1/2" x 20" dark Fabric A strip and one 2-1/2" x 42" Fabric A strip to opposite sides of one 2-1/2" Fabric D square to make a dark green #2 row. Make two. In the same way, make two light green #2 rows using 2-1/2" Fabric G squares.
4. In the same way, make two dark pink #2 rows using 2-1/2" Fabric E squares, two light pink #2 rows using 2-1/2" Fabric G squares, four dark blue #2 rows using 2-1/2" Fabric F squares, and four light blue #2 rows using 2-1/2" Fabric G squares.
5. Sew together one 2-1/2" x 42" Fabric A strip, one 2-1/2" x 9-1/4" dark Fabric A piece, one 2-1/2" x 9-1/4" light Fabric A piece, one 2-1/2" Fabric D square, and one 2-1/2" Fabric G square as shown to make one green #3 row. Make two.

7. Referring to the Quilt Layout Diagram on p. 4, lay out the eight green rows, eight pink rows, and sixteen blue rows into vertical rows.

8. Sew the rows together into pairs, then join pairs, and continue joining sections to assemble the entire quilt top. Sew seams in opposite directions to keep the rows as straight as possible.

## Finishing

Lay the backing right side down, batting, and quilt top right side up. Baste the layers together and quilt as desired. Use the seven 2-1/4" x WOF Fabric G strips to bind the quilt.
