MAKING UP THE QUILT

This is an easy quilt to make, it is just placing the fabrics in the right order

Lay out the fabric squares for your first row as in the main diagram

Sew this row together, now do the same to the next row. Keep doing this to each row until you have sewn all of the rows

Next sew your rows together to complete the centre of the quilt

Stitch the inner border to the sides and then the top and bottom of the quilt

Now sew the outer border sides and the top and bottom

COMPLETION

1. Sandwich quilt top, wadding and backing. Pin or baste layers
2. Quilt as desired
3. Double bind edges with 2½" fabric 8 strips
