Pony Express Wall Hanging

Finished Size: 53" by 35"
wof = width of fabric

Fabric requirements	Yards	Cutting Instructions
Fabric A - #DP21826-34 Panel	1 panel	Fussy cut the panel so it measures 23 ½" high by 42" wide • See NOTE below
Fabric B - #21836-34 (version 1) OR #9020-34 (version 2) Inner Border and binding	⅝ yard	Cut 4 strips measuring 2" by WOF (for inner border) Cut 5 strips measuring 2 ½" by WOF • Join end to end using a diagonal seam (for binding)
Fabric C - #21832-34 (version 1) OR #21836-36 (version 2) Outer Border	¾ yard	Cut 5 strips measuring 4 ½" by WOF • Join end to end using a diagonal seam (for outer border)
Backing	1 ¾ yards	

Assembly:

Inner border: Using Fabric B, trim two (2) strips (2") to the same length as the width of your panel. Matching the center of the borders to the center of the panel, pin the ends and ease in either the panel or the border. This will help to keep the panel square if it's a bit wonky. Press away from the panel. Cut two more border strips for the sides that correspond to the height of your project and sew them to the sides.

Outer border: The outer border will be added the same way that the inner border was added. Make sure you verify the measurements of your quilt to get the correct length and width for this last border. Don't forget to match the centers and the ends and pin.

NOTE: It is best to NOT prewash preprinted fabrics such as panels and border prints. The fabric goes through many processes to be delivered to the consumer and there may be some size variations. If you're unable to cut the panels to the size mentioned above, cut the pieces to a size that works for your panels and adjust any other measurements accordingly.
