FABRIC	CUTTING
	<p>From Fabric 1, fussy-cut: 1 — 36½" x 48½" rectangle of the center circle section (the larger circles). A bit of the green stripes on each side may be included in this rectangle, but should be kept inside the seam allowance so it won't show in the final quilt. Trim further if necessary.</p>

QUILT ASSEMBLY

Inner Vine Border

**Before attaching vine borders, please see the quilt diagram. You'll notice that the leaves point to the right in the top border and to the left in the bottom border. On the left side border the leaves point up, and on the right side border they point down. Follow this layout for a vine border that appears to wind naturally all the way around the quilt.*

1. Measure the height (longer side) of your Fabric 1 rectangle. Trim two of the 6½" strips of Fabric 3 to match this length, making sure to center the floral motif at both ends. Sew to the sides of the quilt (*refer to diagram). Press seams open.
2. Measure the width of the quilt (including all attached borders) and trim the two remaining 6½" strips of Fabric 3 to this length, again centering the floral motif. Sew to the top and bottom of the quilt*. Press seams open.

Outer Lamb's Ear Border

***Before attaching lamb's ear borders, make sure the red stripe faces in and the lamb's ears point out on all four sides (see diagram).*

3. Measure the height of the quilt (including all attached borders). Trim two 3½" strips of Fabric 3 to match this length, centering the lamb's ear motif. Sew to the sides of the quilt**. Press seams open.

4. Measure the width of the quilt (including all attached borders). Trim the two remaining 3½" strips of Fabric 3 to match this length, again centering the lamb's ear motif.

5. Sew a 3½" square of Fabric 2 to both ends of each remaining 3½" strip of Fabric 3. Press seams open. Sew these final borders to the top and bottom of the quilt**. Press seams open.

Finishing

6. Layer the quilt top, batting and backing. Quilt as desired.
7. To make the binding, sew the seven 2½" strips of Fabric 2 together end-to-end with diagonal seams pressed open. Sew to the quilt using your favorite binding method.
