Sewing Instructions

1. Trace individual applique pieces on fusible web. Remember to leave a little extension on the pieces where they fit under another piece.
 2. Cut the fusible web shapes apart and adhere to the appropriate colored wools and yarn dyed fabric as shown in the cover image, following manufacturer's instructions.
 3. Cut the pieces out on the drawn line on the fusible web.
 4. Refer to the cover image and Figure 1 (on Page 2) for placement and fuse all pieces on to the foundation piece.
 5. Use 1 strand of Perle cotton to blanket stitch the larger pieces in place. On small pieces, you might refer to use 1-2 strands of flow to whipstitch pieces in place. We used cream floss to blanket stitch around the cream stripes on the flag and bucket.
- #### Finishing
6. Sew (6) cream buttons on the blue rectangle section of the flag for stars.
- #### Optional (if not using the frame)
7. Layer and quilt as desired.
 8. Sew the (2) 2 1/2" x WOF binding strips together, end to end with 45-degree seams, to make the binding. Fold this long strip in half lengthwise with wrong sides together and press.
 9. Bind as desired.
