Constructing the Quilt Top:

Referring to diagram, sew together **559 Cream (tone on tone), 9401 flower blocks,** and **9400 Cream hummingbird blocks** to form rows.

FIRST ROW = (2) **559 Cream tone on tone,**
(3) **9401 Cream flower blocks,** (2) **559 Cream tone on tone**

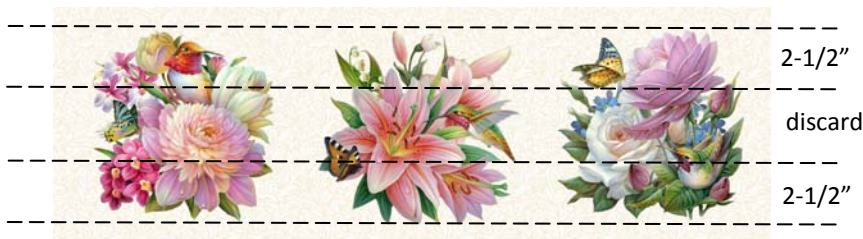

SECOND ROW = (1) **559 Cream tone on tone,**
(1) **9401 Cream flower block,** (3) **9400 Cream hummingbird blocks,** (1) **9401 Cream flower block,** (1) **559 Cream tone on tone**

Continue to form rows, then sew rows together to form center section.

First Border—559 Cream (tone on tone): Add (2) 3-1/2" x 42-1/2" strips to sides of quilt top. Sew together remaining (3) 3-1/2" strips. From this long strip, cut (2) 3-1/2" x 48-1/2" strips. Add to top and bottom of quilt top.

Second Border—9401 Cream (flower blocks)—From remaining **9401 Cream (flower blocks),** cut (6) 2-1/2" strips, allowing 1/4" solid cream above flowers. Sew together (3) top strips and cut (1) 2-1/2" x 48-1/2" and (1) 2-1/2" x 52-1/2" border from this strip. Repeat with (3) bottom strips to cut (1) 2-1/2" x 48-1/2" strip and (1) 2-1/2" x 52-1/2" strip.

Sew 48-1/2" strips to sides of quilt top with 1/4" solid cream seam allowance facing toward outside. Sew 52-1/2" strips to top and bottom of quilt top, leaving 1/4" plain seam allowance to outside of the quilt top.

Finishing the Quilt:

Layer quilt top, batting and backing. Quilt as desired. Use reserved **559 Cream (tone on tone)** strips to bind quilt.
