Quilt Top Assembly

Note the direction of one-way prints during assembly.

5. Following the quilt photo for placement, lay out the Blocks A and B, and the 9" print squares in five rows of four blocks each. Sew the blocks together in each row, pressing seams in opposite directions for adjacent rows. Sew the rows together in order, matching adjacent seams and pressing seams in one direction.
6. Noting the orientation, sew one 4¹/₂" x 43" C6452 Grey strip to each side of the quilt center. Sew one 4¹/₂" x 42¹/₂" C6452 Grey strip to the top and the other to the bottom.

Finishing

7. Layer the quilt top, batting and backing, and quilt as desired.
8. Stitch the binding strips together end to end using diagonal seams. Fold and press the resulting long strip in half lengthwise with wrong sides together. Stitch to the quilt front, matching raw edges and mitering the corners.
9. Fold the binding to the quilt underside and hand-stitch the folded edge to the quilt back.
