Inner Borders: Sew 8 - 2½" Fabric 7 strips together, end to end, to create one continuous piece. Measure and cut your borders. Mark the centers of quilt top sides and the side border pieces. Pin together from the center out and sew the side borders to the quilt top. Press seams toward the borders. Repeat to attach the top and bottom borders to the quilt top.

18. Make your quilt sandwich: layer the quilt top, right side up, over the batting and backing, wrong sides up. Baste layers to secure. Quilt as desired. Square up the quilt and trim away excess batting and backing.
19. Make and attach the binding: Join the 2½" fabric 9 strips together to create one continuous piece. Press in half lengthwise with wrong sides together. Sew the binding to the front of the quilt with a ⅜" seam allowance. Turn the binding to the back of the quilt and stitch by hand with matching thread.
