## BELIEVE IN THE BEAUTY OF YOUR DREAMS

Finished Quilt:  
81" x 81" - FULL/QUEEN  
104" x 93" - KING

Quilt design by Jeanie Sumrall-  
Ajero, featuring  
Dream Big & Supernova.

You'll think your looking through a  
kaleidoscope with Jeanie's captivating  
project that cleverly plays up the  
values & textures in four panels of  
her digital-print line. Looks  
complicated, but easy to make.

## Cutting Instructions

**Important:** Organization is the key to success with this pattern! Whether you choose to use sticky notes, color coded labels or something else, taking the time to label your pieces will save hours of guaranteed frustration as you put the quilt together.

**1. Wash fabric before cutting.**

**2. Cut each Panel into four quadrants.**

Orient all of the panels the same way. For example, make sure the selvage with the fabric ID and copyright are all on the same side. \*Work with one panel at a time, starting with Fabric A. Find the center of the design and cut both width-wise and length-wise through the center of the panel resulting in four pieces. Lay the quadrants back out in the same orientation.\* Repeat between the \*s with Fabric B and layer the B quadrants on top of the A quadrants keeping the orientation the same. Do the same with Fabric C and then Fabric D. You should now have four piles of four quadrants with Fabric A on the bottom and Fabric D on top. (Figure 1)

Figure 1.

### 3. Cut Quadrant 1 (Q1) into nine squares.

- Line up the cut edges of all four fabrics. Remember which side is up! Don't worry about exact alignment of the designs – just make sure that the cut edges are aligned. (The squares are large enough that small alignment variations won't be noticeable once the quilt is put together.)
- Cut three 6.75" strips starting at one of the cut edges. ([Figure 2](#))
- Cut the three strips into 6.75" squares starting from the other cut edge. ([Figure 3](#))
- Label each stack of squares according to [Figure 4](#). Stack squares together by row to keep everything in order.

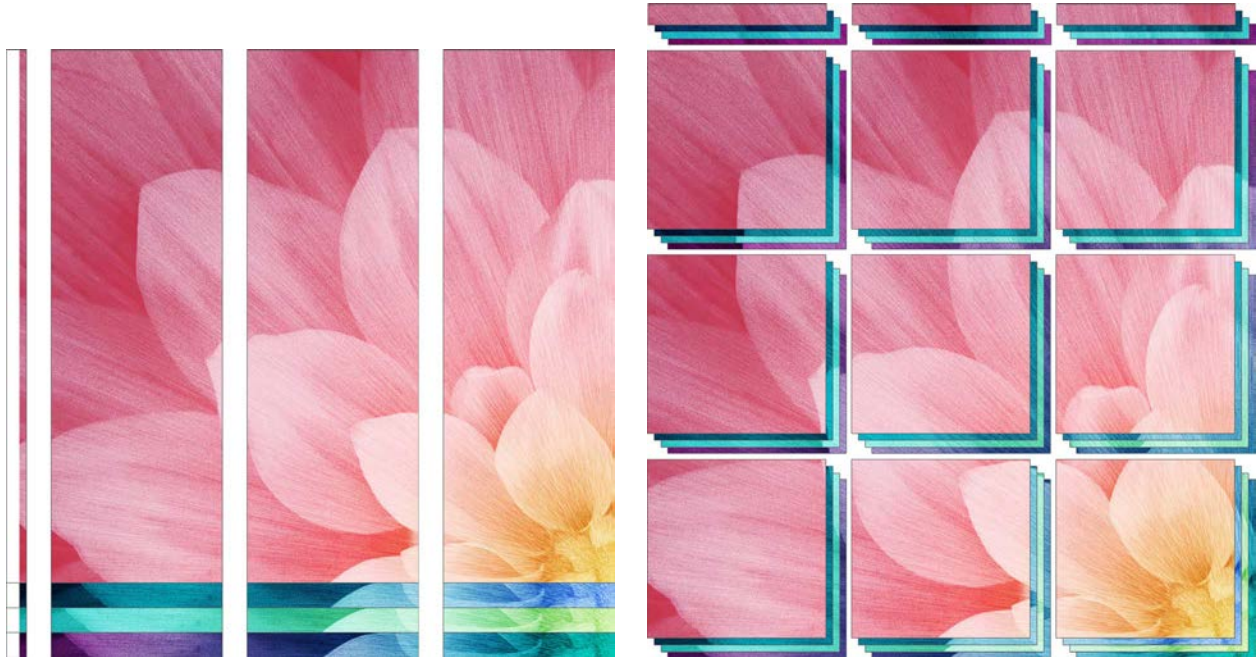

Figure 2.

Figure 3.

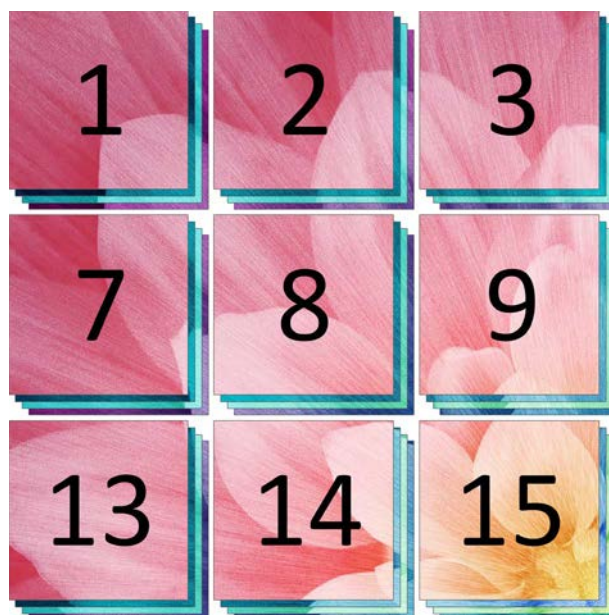

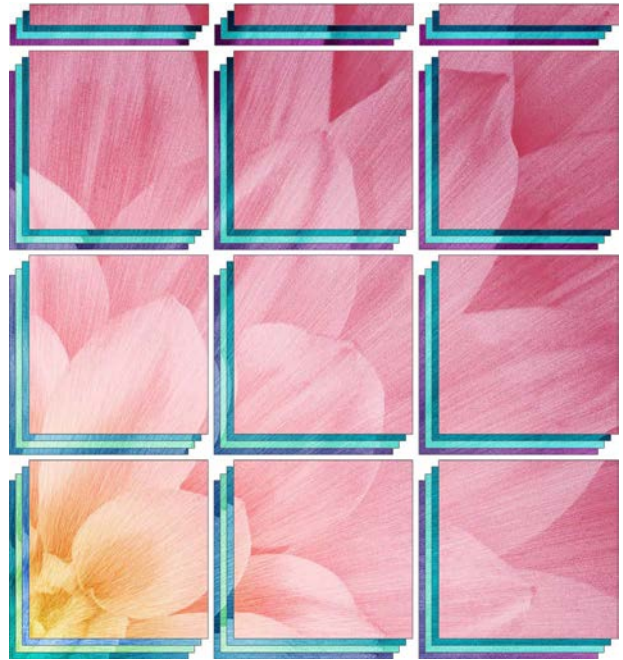

Figure 4.

#### 4. Cut Quadrant 2 (Q2) into nine squares.

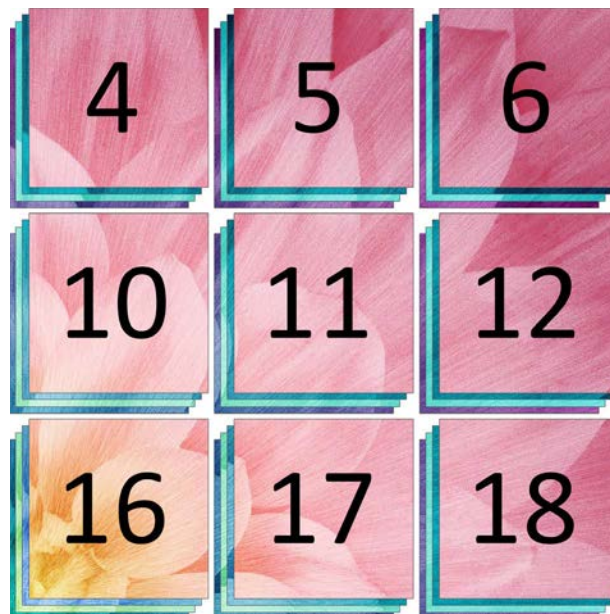

- Line up the cut edges of all four fabrics. Remember which side is up! Again, don't worry about exact alignment of the designs – just make sure that the cut edges are aligned.
- Cut three 6.75" strips starting at one of the cut edges. (**Figure 5**)
- Cut the three strips into 6.75" squares starting from the other cut edge. (**Figure 6**)
- Label each stack of squares according to **Figure 7**. Stack squares together by row to keep everything in order.

**Figure 5.**

**Figure 6.**

**Figure 7.**

**5. Cut Quadrant 3 (Q3) into nine squares.**

- Line up the cut edges of all four fabrics. Remember which side is up! Again, don't worry about exact alignment of the designs – just make sure that the cut edges are aligned.
- Cut three 6.75" strips starting at one of the cut edges. (**Figure 8**)
- Cut the three strips into 6.75" squares starting from the other cut edge. (**Figure 9**)
- Label each stack of squares according to **Figure 10**. Stack squares together by row to keep everything in order.

**Figure 8.**

**Figure 9.**

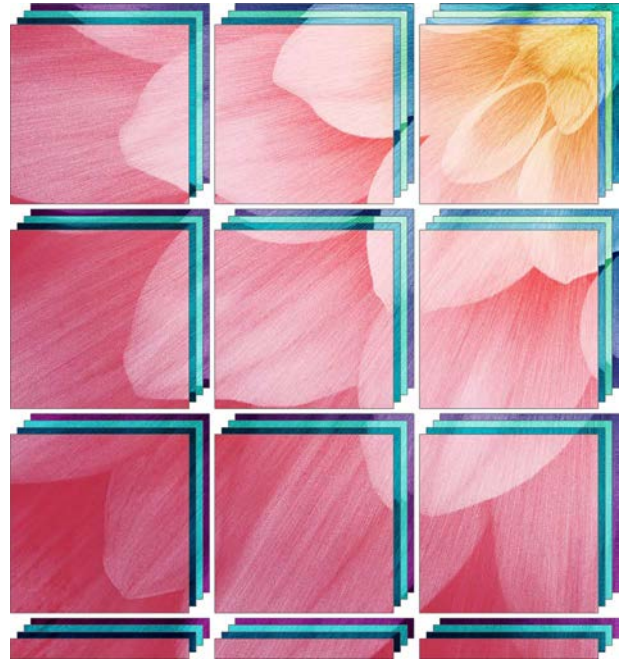

**Figure 10.**

**6. Cut Quadrant 4 (Q4) into nine squares.**

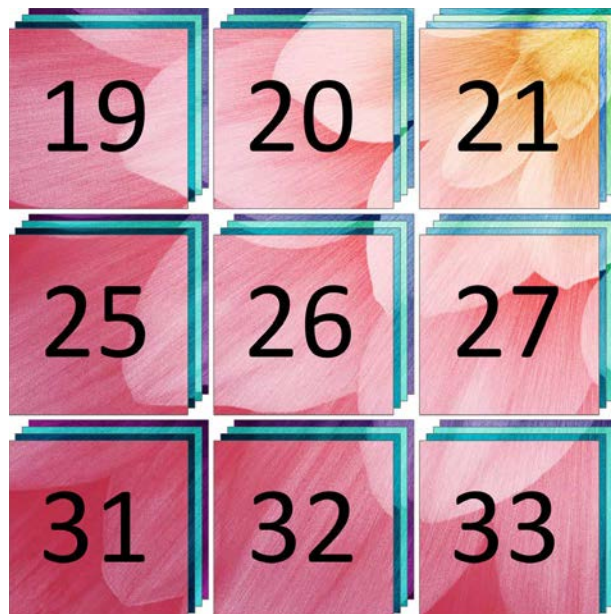

- Line up the cut edges of all four fabrics. Remember which side is up! Again, don't worry about exact alignment of the designs – just make sure that the cut edges are aligned.
- Cut three 6.75" strips starting at one of the cut edges. (**Figure 11**)
- Cut the three strips into 6.75" squares starting from the other cut edge. (**Figure 12**)
- Label each stack of squares according to **Figure 13**. Stack squares together by row to keep everything in order.

**Figure 11.**

**Figure 12.**

**Figure 13.**

**7. Cut borders and binding strips.** Choose *one* of the following options:

6

a. For a 3” border (81” x 81” finished quilt size), cut the following *lengthwise*:

(4) 3.25” strips (for border)

(5) 2.25” strips (for binding)

b. For a king size quilt (104” x 93” finished quilt size), cut the 5 yards into two (2) pieces:

Piece #1 should be at least 94” (2 yds 22 in). Then cut two (2) 15.25” strips lengthwise (for side borders).

Piece #2 should be at least 76” (2 yds 3 in). Then cut the following lengthwise:

- (1) 15.25” strip (for bottom border)
- (1) 3.25” strip (for top border)
- (6) 2.25” strips (for binding)

## Quadrant 1

1. *Place stack #1 on work surface.* Arrange the four squares as in **Figure 14**.
2. *Rotate the squares.* For all the squares in Q1, imagine that a dot is in the upper left corner of the squares in the stack. Keep Fabric A (the upper left square in the four-patch) as is, then rotate the remaining three squares so that the dot is in the outside corner as in **Figure 15**.

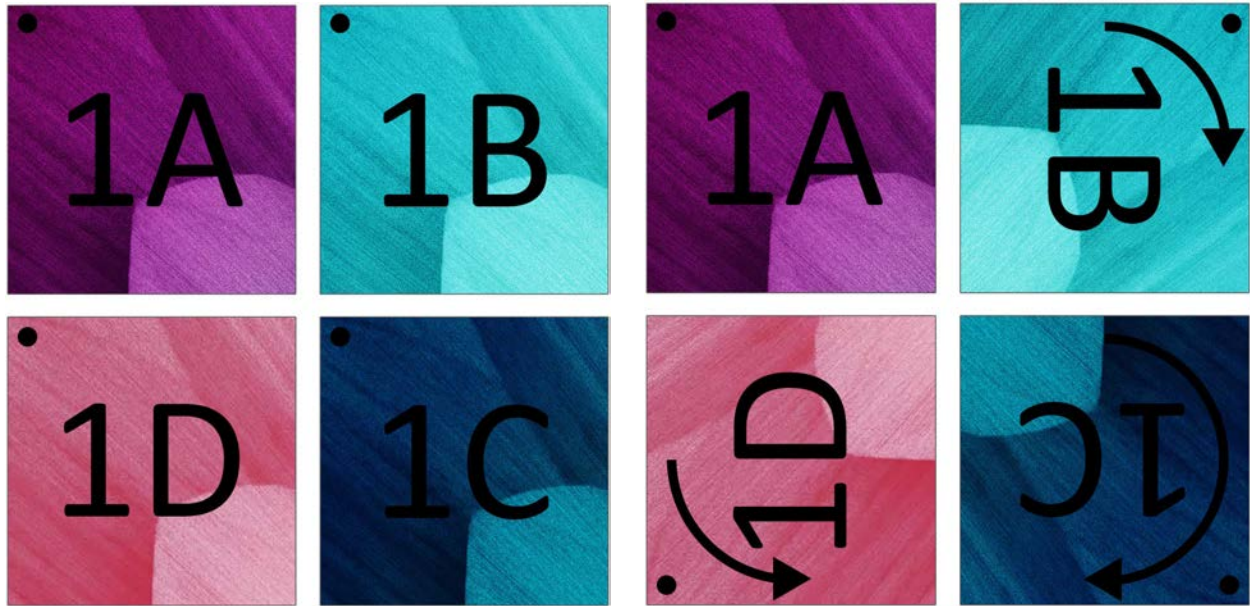

Figure 14.

Figure 15.

3. *Repeat Steps 1 & 2 for stacks #2 and #3.* You should now have (3) four-patches laid out on your work surface as in **Figure 16**.

Figure 16.

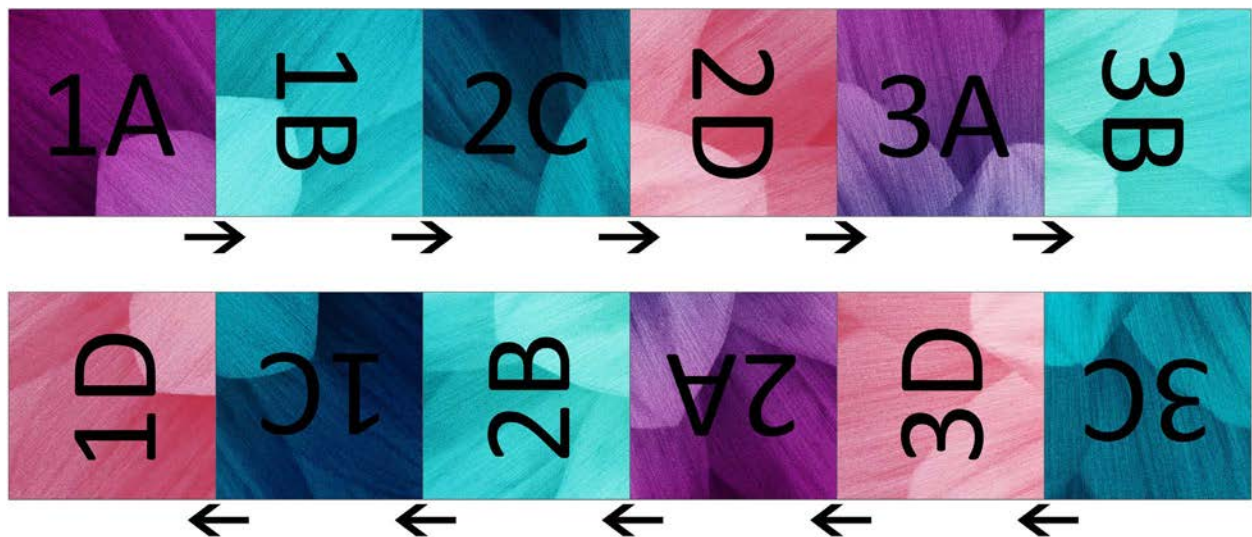

4. *Rotate four-patch #2 180 degrees.* This is critical to the overall design of the quilt. Rotate the middle four-patch, i.e. the one highlighted by the blue frame, 180 degrees as shown in **Figure 17**.

**Figure 17.**

5. *Sew the two rows together (Figure 18):*

- Sew 1A to 1B, 2C to 2D, and 3A to 3B. Press seam allowance to the right.
- Sew 1AB to 2CD to 3AB, pressing towards the right.
- Sew 1D to 1C, 2B to 2A, and 3D to 3C. Press seam allowance to the left.
- Sew 1DC to 2BA to 3DC, pressing towards the left.

**Figure 18.**

6. Repeat Steps 1-3 on page 7 for Stacks #7-9. Then rotate four-patches #7 and #9 180 degrees as shown highlighted by the blue frames in **Figure 19**.

**9. Sew the two rows together (Figure 22):**

- Sew 13A to 13B, 14C to 14D, and 15A to 15B. Press seam allowance to the right.
- Sew 13AB to 14CD to 15AB, pressing towards the right.
- Sew 13D to 13C, 14B to 14A, and 15D to 15C. Press seam allowance to the left.
- Sew 13DC to 14BA to 15DC, pressing towards the left.

### 3. *Add the borders.*

For the 3" borders, simply sew the border to the sides, then the top and bottom.

For the king size borders, refer to the diagram below. Add the top and bottom borders first, then the sides.

### 4. *Quilt as desired.*
