Finishing

15. Create a quilt sandwich with the batting between the quilt top and the backing. Pin or baste layers

together, mark quilting design, and quilt by hand or machine. When quilting is complete, remove pins or basting, trim batting and backing even with raw edges of the quilt top.

16. Join the seven Texture-Navy 2-1/2" binding strips together end to end using a diagonal seam to make one long strip. Trim seams to 1/4" and press them open. Sew binding to the edges of the quilt top, mitering corners, and overlapping ends. Fold binding to the back of the quilt and stitch it in place by hand to finish.
