Quilt Top Assembly

4. Referring to the quilt photo, lay out the blocks, 9½" C6627 Black squares, setting triangles and corner triangles in diagonal rows.
5. Sew the pieces together in each row and press seams in alternate directions for adjacent rows. Sew the rows together in order, matching adjacent seams.
6. Sew the 3½" C6506 Multi strips together end to end. Measure the quilt center width and cut two strips that length. Sew one 3½" C4459 Pine square to each end of each C6506 Multi strip and set aside.
7. Measure the quilt center length and cut two 3½" C6506 Multi strips that measurement. Sew one strip to each side of the quilt.
8. Sew one step 6 border to the top and the other to the bottom of the quilt top center, matching adjacent seams.

Finishing

9. Layer the quilt top, batting and backing, and quilt as desired.
10. Stitch the binding strips together end to end using diagonal seams. Fold and press the resulting long strip in half lengthwise with wrong sides together. Stitch to the quilt front, matching raw edges and mitering the corners.
11. Fold the binding to the quilt underside and hand-stitch the folded edge to the quilt back.
