Inner Borders

21. Sew (3) 3-1/2" x WOF (Fabric 6) strips together. Measure the width of the quilt top through the middle. Subcut into (2) 50-1/2" strips - adjusting if your measurement is different. Attach the Fabric 6 strips to the top and bottom of the quilt top.

Mitered Outside Borders.

22. Mark the centers of the side of the quilt top and the center of a Fabric 10 strip. Center a border strip over the quilt top, RST, matching the marked centers and pin. Sew the border strip to the quilt top starting and stopping 1/4" away from the edges of the quilt top. Press. Repeat to attach the border strip on the opposite side.

23. Mark the centers of the top of the quilt top and a Fabric 10 border strip. Center the border strip over the quilt top RST, matching the centers and pin. Press the ends of the top border strip at a 45° angle. Start and stop the stitches 1/4" away from the edges of the pieced top. Repeat on the bottom of the quilt.

24. Bring the short edges of the border strips together. Sew along the pressed creases. Trim excess fabric and press open.

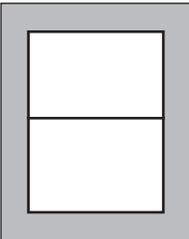

25. Layer the backing (wrong side up), batting and quilt top (right side up). Baste layers to secure. Quilt as desired.

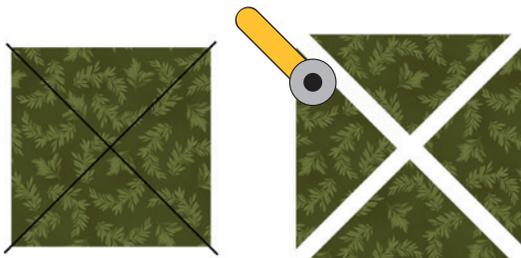

26. Sew 6 (Fabric 7) 2-1/2" x WOF binding strips together, end to end, into one continuous strip. Press in half lengthwise with wrong sides together.
