$8 \times 11 / 2^{\prime \prime} \times 21 / 2^{\prime \prime}$ (middle border)

## MAKING UP THE BLOCKS

All three blocks are made up in the same way

Block 1

Block 2

Block 3

Lay out the fabric pieces for each block. Take the centre square of block and stitch the short strips to the sides. Next sew the squares to each end of the short strips. Stitch to square. Do the same to the outer part of the block

Block 1 you need 5 blocks in total, block 2 and 3 you need 4 in total

Quilt centre

## Inner border

Sew the strips $1 \frac{1}{2 \prime \prime} \times 401 / 2^{\prime \prime}$ to the sides and then strips $1 \frac{1}{2 "} \times 42 \frac{1}{2}$ " to the top and bottom

## Middle border

Stitch the middle border strips together as in the main diagram. Sewing the small strips of fabric 11 to each end. On two of the strips you will sew a square each end of the strips. Stitch the short ones to the quilt and then the last two strips

## Outer border

Stitch the shorter strips to the sides and then the top and bottom strips

## QUILTING

Sandwich quilt top, wadding and backing together
Quilt by hand or machine as desired
Trim backing and wadding to size

## BINDING

Use your favourite method from fabric 11 to bind the quilt
