Directions

Important: To prewash or not to prewash? Every quilter has their preference, but for this quilt, please *do not* prewash your fabric. The reason for this recommendation is that, if you prewash the panel print (1JHP1), the resulting shrinkage may not allow it to be cut as instructed for the quilt center.

Cutting

Fabrics are cut in order given in Materials list. Cut strips across width of fabric, unless otherwise instructed.

From Multi Panel, selectively cut:

- 1 rectangle, 22½" x 42½", for quilt center (Selectively cut rectangle to get portion of the design – plus seam allowance – as shown in the cover photograph.)

From each of the 4 fat quarters (Red Candy Cane, Green Candy Cane, Green Holly, and Multi Poinsettia), cut:

- 3 strips, 4½" x 21"; crosscut 10 squares, 4½" x 4½", for pieced border squares (You will end up with a total of 40 squares: 2 will be extra.)

From Red Snow, cut:

- 2 strips, 1½" x 42½", for panel border (sides)
- 2 strips, 1½" x 24½", for panel border (top and bottom)

From Border Print, selectively cut:

- 4 strips, 7½" x length of fabric, for border (Selectively cut strips to get portion of the design – plus seam allowance – as shown in the cover photograph. Strips are cut long, and will be trimmed to size later.)

From Green Snow, cut:

- 6 strips, 2½" x 42½", for binding
