## Instructions

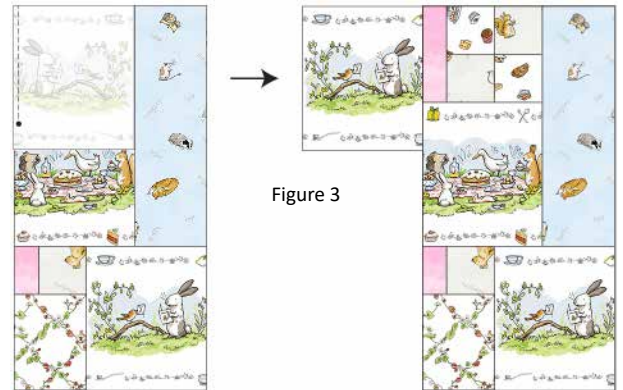

1. Create a strip set by sewing together the 2 ½" x WOF Lt Khaki Party Animals strip and the White Tasty Treats strip. Cut this strip into eight 2 ½" sections. Figure 1.
2. Sew two of these sections together to create a 4-patch block. Make four, 4-patch blocks. Figure 2.

3. Sew a 1 ½" x 4 ½" Dk Olive Dot/ Lt Pink Misty rectangle to one side of each of the 4-patch blocks completed in step 2. Check color quilt diagram for placement.
4. Sew each section from step 3 to the top of a White Pictorial Stripe Main Block. There is one main block unit at the upper right, one unit at the center right, one unit at the bottom left, and one unit at the center left. Refer to the color quilt diagram.
5. Sew a 3 ½" x 10 ½" Lt Denim Party Animal rectangle to the right side of the Big Block section from step 4. Repeat for the remaining Big Block section from step 4, sewing the rectangle to the left side.
6. Sew a 1 ½" x 2 ½" Dk Olive Dot/ Lt Pink Misty rectangle to the side of each 2 ½" Lt Khaki Party Animal square. Sew one set to the bottom of a 3 ½" x 4 ½" White Diagonal Trellis rectangle & one set to the top of a 3 ½" x 4 ½" White Diagonal Trellis rectangle. Stitch one of these units to the top left Big Block and one unit to the bottom right Big Block.
7. Sew a 1 ½" x 2 ½" Dk Olive Dot/ Lt Pink Misty rectangle to the side of each 2 ½" White Tasty Treats square. Sew one 3 ½" White Diagonal Trellis square to each unit. Sew one 1 ½" x 3 ½" Dk Olive Dot/ Lt Pink Misty rectangle to the other end of the 3 ½" White Diagonal Trellis square. Stitch one unit to the left side of a Big Block and one unit to the right side of a Big Block. Sew one 4 ½" x 8 ½" Lt Denim Toile rectangle to the top of one unit and one 4 ½" x 8 ½" Lt Denim Toile rectangle to the bottom of one unit. See color diagram for placement.
8. Lay out the completed units according to the color diagram. Sew the sections in the following order: top left unit from step 6 to center left unit from step 5 and repeat for right; top right unit from step 4 to center unit from step 7 and repeat for bottom left. There should be four large units at the corners and one Big Block in the center.

## Putting It Together:

1. To sew the four corner sections around the Big Block center, you will start by sewing a partial seam. Sew the Big Block center to the top left corner of the lower right corner section. Stop about 1" from the bottom of the Big Block center and backstitch to secure. Figure 3.
2. Referring to the color picture for layout, sew the top right corner section to the top of the section you completed in step 1. Sew the top left corner section to the left side. Then sew the bottom left corner section to the bottom left corner. The seam will stop at the center of the Big Block.
3. Finish sewing the partial seam you created in step 1, starting with the backstitches. Continue sewing the bottom right and bottom left sections together.

## Borders:

1. Sew the 1 ½" x 26 ½" Blue Dot/Dk Coral Dot strips to the right and left sides of the quilt center; press. Sew the remaining 1 ½" x 23 ½" Blue Dot/Dk Coral Dot strips to the top and bottom of the quilt center; press.
2. Sew the White Pictorial Stripe borders to the quilt top, mitering the corners.
3. Layer quilt top, batting and backing and quilt as desired. Add binding to finish.
