## Making up the Blocks

Blocks 1 and 2 are made up in the same way.

**Block 1**

**Block 2**

The Block is made up of corner triangles and a Centre Block.

**Corner**

**Centre Block**

For the Corner Triangles, stitch a small triangle to each side of the square. Do this to all four. Next sew the centre pieces in a row, then the two small triangles each side of the square and then the small triangle to the top. On the next row, stitch the squares together and then a small triangle to each end. Last row as the top row. Stitch the three rows together and then sew each of the corner pieces onto the block. Opposite sides first and then add the other two sides.

Sew the Blocks together as in the main diagram. Sew the inner border, sides and then the top and bottom.

Next sew the outer border, sides and then the top and bottom.

## **Quilting**

Sandwich quilt top, wadding and backing together. Quilt by hand or machine as desired. Trim backing and wadding to size.

## **Binding**
