Large Blocks

1. Draw a diagonal line from corner to corner on the wrong side of two Fabric P 4" squares for Large blocks. Place the Fabric P square RST in the upper left corner of a Fabric A 4-1/2" large square and sew along the drawn line. Trim 1/4" away from the line and press open. Repeat using remaining Fabric P square on the opposite corner of the Fabric A square. Unit A is now complete and should measure 4-1/2" square. (This construction technique will be used for the small and medium units as well).

2. Repeat Step 1 with remaining Fabric A squares for a total of ten Fabric A units.

3. Repeat Steps 1-2 with Fabric B-E 4-1/2" squares and remaining Fabric A 4" squares for a total of ten units each.

4. Sew two Large units of the same color together, placing a 1-1/2" x 4-1/2" center strip between them and orienting the blocks using the diagram below. Block should measure 4-1/2" x 9-1/2". Repeat with all Large units to create five small blocks of each color.

Medium Blocks

5. Follow the same construction method as Large units in Step 1, but this time use 3-1/2" Fabric F-J squares and 3" fabric P squares. Completed units should measure 3-1/2" square and you should have ten of each medium unit fabric paired with Fabric P.

6. Sew two Medium units of the same color together, placing a 1-1/2" x 3-1/2" Fabric P center strip between them and on each end. Orient units following the diagram below. Block should measure 3-1/2" x 9-1/2". Repeat with all Small units to create five small blocks of each color.

Small Blocks

7. Follow the same construction method as Large blocks, but this time use 2-1/2" Fabric K-O squares and 2" Fabric P squares. Finished units should measure 2-1/2" square.

8. Sew two Small units of the same color together, placing a 1-1/2" x 2-1/2" Fabric P center strip between them, orienting them following the diagram below. Sew a 2-1/2" Fabric P square to either end of the block. Block should measure 2-1/2" x 9-1/2". Repeat with all Small units to create five small blocks of each color.

Quilt Assembly

9. Sew together one Fabric A Large Block, one Fabric F Medium Block and one Fabric K Small block from largest on top to smallest on bottom with a 1-1/2" x 9-1/2" Fabric P sashing strip between each block. Repeat to make five Blocks.

10. Following the same directions as Step 9 create five of each of the following blocks following the fabric combinations listed.

Fabrics B/G/L

Fabrics C/H/M

Fabrics D/I/N

Fabrics E/J/O

11. Gather five A/F/K blocks and sew them together with a 2-1/2" x 11-1/2" Fabric P sashing strip between each block. Repeat with every block grouping to make one row each.

12. Sew the rows together in the following order with a 3" x 53-1/2" sashing row between each row: [A/F/K]-[B/G/L]-[C/H/M]-[D/I/N]-[E/J/O].

13. Sew a 6" x 65-1/2" side outer border to each side of the quilt.

14. Sew a 6" x 65-1/2" top and bottom border to the top and bottom of the quilt.

15. Your quilt is now complete! Baste, quilt, bind, and enjoy!
