

Block 1- Star Chain- 4" block Cutting Sizes

Most of the blocks have cutting sizes for 4" but I will make sure you have them if they are not included on the patterns...

Here is block 1...

A-12- 1" squares

B -8 1"x 1 ½" rectangles

C-8-1" squares

D-1-2 ¼" square cut in half twice diagonally

E-2- 2 ¼" squares cut in half twice diagonally

F-4-1 3/16" squares

G-4-1 3/8" squares cut in half once diagonally

H-1- 1 ½" square

I did not think I could post these until Friday...so next time I will make them prettier...Happy Stitching!

NOTE: Do not attempt to make these 4" squares unless you have saturated your fabrics with heavy starch...let them dry naturally...and then... iron them with steam to get them ready for cutting.
