Making up the blocks

Both blocks are made up in the same way. You will sew 8 of each colour way.

Lay out the fabric pieces for your blocks. Stitch the strips of 1" x 9" to your strips of $3\frac{1}{2}$ " x 9". Arrange the pieced units around the centre square as in the block diagram 1 & 2. You will move clockwise around the square. Take the top strip and place this onto the square. Sew the

seam from the outer edge about half way back stitch and finger press back. Add the second strip on the right. This is a complete seam. Add the third pieced unit of patches, stitching the length of the patches.

With RST, add the fourth pieced unit. Again, this is a complete seam.

Then stitch the last bit of the first seam.

Block 1

Block 2

Completing the quilt

Lay out your pieces for the row's squares, sashing and the blocks as in the main diagram.

Sew your rows and then stitch the rows together to complete the quilt. Pressing your seams in the opposite way each time as this will help when sewing you blocks together.

Add your side border strips and then the top and bottom to the quilt.

Quilting

Sandwich quilt top, wadding and backing together. Quilt by hand or machine as desired. Trim backing and wadding to size.

Binding

Use your favourite method from fabric 11 to bind the quilt.
