FABRICS + SUPPLIES

DREAM

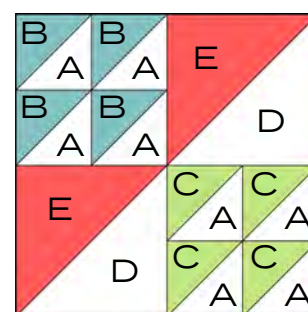

BY SHERRI McCONNELL

These HST's pointing skyward always remind me that anything is possible!

CUTTING INSTRUCTIONS:

(For fabric choices refer to the diagram.)

HST = Half Square Triangle

	4" Block	6" Block	8" Block	12" Block
A:	(4) 2" squares; cut squares once diagonally to make (8) A triangles (background) .	(4) 2 1/2" squares; cut squares once diagonally to make (8) A triangles (background) .	(4) 3" squares; cut squares once diagonally to make (8) A triangles (background) .	(4) 4" squares; cut squares once diagonally to make (8) A triangles (background) .
B:	(2) 2" squares; cut squares once diagonally to make (4) B triangles.	(2) 2 1/2" squares; cut squares once diagonally to make (4) B triangles.	(2) 3" squares; cut squares once diagonally to make (4) B triangles.	(2) 4" squares; cut squares once diagonally to make (4) B triangles.
C:	(2) 2" squares; cut squares once diagonally to make (4) C triangles.	(2) 2 1/2" squares; cut squares once diagonally to make (4) C triangles.	(2) 3" squares; cut squares once diagonally to make (4) C triangles.	(2) 4" squares; cut squares once diagonally to make (4) C triangles.
D:	(1) 3" square; cut the square once diagonally to make (2) D triangles (background) .	(1) 4" square; cut the square once diagonally to make (2) D triangles (background) .	(1) 5" square; cut the square once diagonally to make (2) D triangles (background) .	(1) 7" square; cut the square once diagonally to make (2) D triangles (background) .
E:	(1) 3" square; cut the square once diagonally to make (2) E triangles.	(1) 4" square; cut the square once diagonally to make (2) E triangles.	(1) 5" square; cut the square once diagonally to make (2) E triangles.	(1) 7" square; cut the square once diagonally to make (2) E triangles.

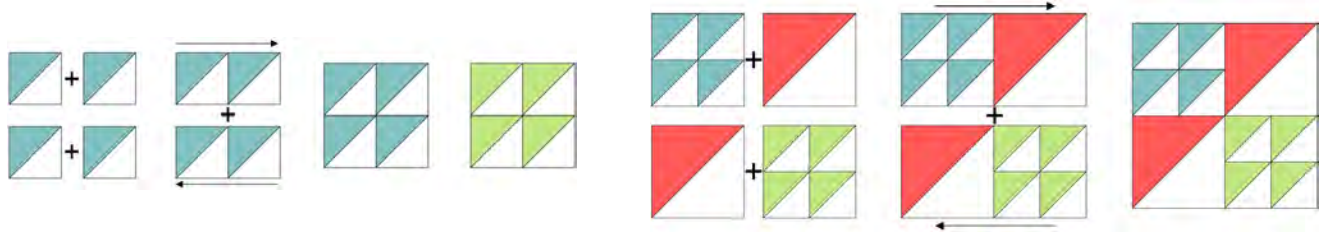

ASSEMBLY INSTRUCTIONS:

1. Begin HST unit assembly using (4) A triangles and (4) B triangles. Place triangles right sides together and edges aligned.
2. Sew the longest edges of the triangles together using a $\frac{1}{4}$ " seam. Press toward the B triangle.
3. Repeat to create (4) HST units using A and B triangles, and (4) HST units using A and C triangles. (HST units should total 8.)
4. Trim A/B and A/C HST units using the following guide:
 - a. 4" Block: $1\frac{1}{2}$ " unfinished (1" finished)
 - b. 6" Block: 2" unfinished ($1\frac{1}{2}$ " finished)
 - c. 8" Block: $2\frac{1}{2}$ " unfinished (2" finished)
 - d. 12" Block: $3\frac{1}{2}$ " unfinished (3" finished)

5. Use HST unit assembly instructions provided above to create (2) HST units using (2) D triangles and (2) E triangles. Press seams toward the E triangle.
6. Trim D/E HST units using the following guide:
 - a. 4" Block: $2\frac{1}{2}$ " unfinished (2" finished)
 - b. 6" Block: $3\frac{1}{2}$ " unfinished (3" finished)
 - c. 8" Block: $4\frac{1}{2}$ " unfinished (4" finished)
 - d. 12" Block: $6\frac{1}{2}$ " unfinished (6" finished)
7. Complete block assembly using all HST units created in steps 1-6. Sew HST units together as shown in the diagram. Please note the orientation of all HST units. Arrows indicate pressing instructions.

DESIGNER INFO

Tips: Use triangle paper for HST's when you're making many out of the same fabrics.
