**STARRY EYED**

BY COREY YODER

Stars are always so much fun to piece. This block is a star with a little twist which I quite enjoy.

**CUTTING INSTRUCTIONS:**

**ASSEMBLY INSTRUCTIONS:**

1. Begin assembly for the center of the block by sewing the longest edges of (4) E triangles onto all sides of (1) A square using a scant ¼" seam. Complete (2) opposite sides of the A square first, press seams outward, then complete the two remaining sides of the A square.

2. Using the same piecing techniques, complete the center of the block using (4) F triangles as shown. Diagrams show the unit in all stages of assembly.

3. Use the following guide to trim the center of the block:
   a. 4" Block: 2 ½" x 2 ½" unfinished (2" x 2" finished)
   b. 6" Block: 3 ½" x 3 ½" unfinished (3" x 3" finished)
   c. 8" Block: 4 ½" x 4 ½" unfinished (4" x 4" finished)
   d. 12" Block: 6 ½" x 6 ½" unfinished (6" x 6" finished)

4. Sew C and D triangles together as shown in the diagram to make a triangle unit. The longest edges of the C and D triangles should face outward and away from each other.

5. Repeat to make (4) units in which the C triangle is on the left, and (4) units in which the C triangle is on the right. Press toward the C triangle.

6. Place (1) E triangle on either side of (1) B square as shown. Sew E triangles onto the B square. Press seams toward the E triangles.

7. Sew units created in the above steps together to create a block unit. Please note the orientation and placement of C triangles. C triangles should be placed next to the B square. Sew together as shown, using a pin to help align the seams.

8. Repeat to make (4) identical units. Trim units using the following guide:
   a. 4" Block: 1 ½" x 2 ½" unfinished (1" x 2" finished)
   b. 6" Block: 2" x 3 ½" unfinished (1 ½" x 3" finished)
   c. 8" Block: 2 ½" x 4 ½" unfinished (2" x 4" finished)
   d. 12" Block: 3 ½" x 6 ½" unfinished (3" x 6" finished)
9. Complete the block using all units created in the above steps and (4) A squares. Diagrams show the block in all stages of assembly. Press seams open to reduce bulk.

10. Trim blocks using the following guide:
   a. 4 ½” x 4 ½” unfinished (4” x 4” finished)
   b. 6 ½” x 6 ½” unfinished (6” x 6” finished)
   c. 8 ½” x 8 ½” unfinished (8” x 8” finished)
   d. 12 ½” x 12 ½” unfinished (12” x 12” finished)

**DESIGNER INFO**

Fun Facts: Visit my blog on Friday’s for my weekly **Q & A Friday**. This is the time I answer any questions you might have about all things quilting. It could be fabric questions, design questions, an interest in seeing one of my patterns in another fabric line, you name it!
