## Sheltering Tree Table Runner

1. Blocks: Starting with 1-A in the center, sew (using a $1 / 4$ " seam allowance) to 2-B creating a unit. Press.
2. Sew the $1-A / 2-B$ unit to a $3-B$ unit (as shown in the illustration for placement.)
3. Continue to add the pieces to the unit in numerical order using the illustration as a guide. The block will measure 7-1/2" - seam allowance included. Make 3.

4. Layout the blocks as shown in the below illustration.

5. Sew the sashing strips to the blocks and the panel house squares to create a row. Sew the long border strips to opposite sides of the row, then sew the short border strips to opposite ends of the row.
6. Sew the stripe outer borders to opposite sides of the runner. Sew the cornerstones to the remaining two $8-1 / 2$ " stripe borders. Sew the stripe borders with the cornerstones to opposite ends of the runner. Press.
7. Layer the backing (wrong side up), batting and topper (right side up). Baste layers together.
8. Sew the binding, end to end, into one continuous strip. Fold in half lengthwise and press. Sew to the quilt using your favorite binding method.

## Sheltering Tree Table Topper

1. Layout the quilt as shown in the illustration, matching fabrics as labeled.
2. Sew an A strip to the top and bottom of the center panel. Press.
3. Sew a B strip to the sides of the step 2 unit. Press.
4. Sew the C rectangles to the sides of the step 3 unit. Press.
5. Continue in this manner following the illustration until you complete the J strips.
6. Sew the striped border pieces to the sides of the topper. Press.
7. Sew a corner stone to each end of the remaining 2 striped border pieces.
8. Sew the borders with the cornerstones to the top and bottom of the topper, matching the intersections. Press.
9. Layer the backing (wrong side up), batting and topper (right side up). Baste layers together.
10. Quilt as desired.
11. Sew the binding, end to end, into one continuous strip. Fold in half lengthwise and press. Sew to the quilt using your favorite binding method.
