LUCKY PENNY

BY VANESSA GOERTZEN

When I was a little girl, I believed I was lucky any time I found a penny on the ground. Now that I am grown, I don't pick up many coins - but I get that same happy feeling every time I sit down to sew. This block is like a batch of scrappy little pennies, reminding us of all the little things that make life good.

CUTTING INSTRUCTIONS:

(For fabric choices refer to the diagram)

(For fabric choices refer to the diagram. Block is shown using (1) background fabric and (8) colored fabrics. Plan cutting according to the quantity of colors you wish to include.)

1. Place (1) B square with a drawn diagonal line onto each corner of (1) A square, right sides together and edges aligned.
2. Stitch along the drawn diagonal line of each B square as shown.
3. Use a rotary cutter to trim $\frac{1}{4}$ " away from the drawn diagonal line as shown, removing excess fabric at each corner.
4. Press all seams outward toward the corner to complete (1) stitch and flip unit.
5. Use the following guide for stitch and flip unit sizing:

- a. 4" Block: $1\frac{1}{2}$ " unfinished (1" finished)
- b. 6" Block: 2" unfinished ($1\frac{1}{2}$ " finished)
- c. 8" Block: $2\frac{1}{2}$ " unfinished (2" finished)
- d. 12" Block: $3\frac{1}{2}$ " unfinished (3" finished)

6. Repeat stitch and flip techniques described above to create (16) stitch and flip units using various fabrics.
7. Begin block assembly by placing all stitch and flip units in a 4 x 4 grid as shown.

9. Sew horizontal rows together to complete block assembly.
