Assembly

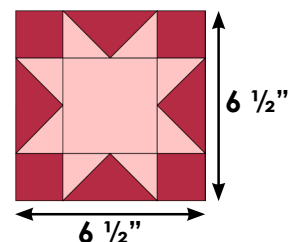

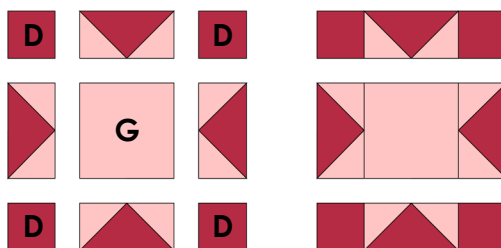

- Both small and large flying geese units are needed to create this block. Begin large flying geese unit assembly by placing (1) B triangle on either side of (1) C triangle as shown.
- Sew the B triangles to the C triangle one at a time using a scant 1/4" seam. Press toward the corners.
- Trim large flying geese units to measure 3 1/2" x 6 1/2" unfinished. Repeat to make (4) identical large flying geese units.

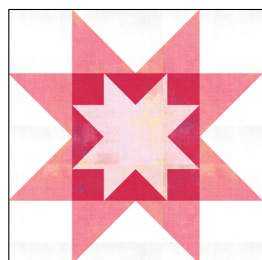

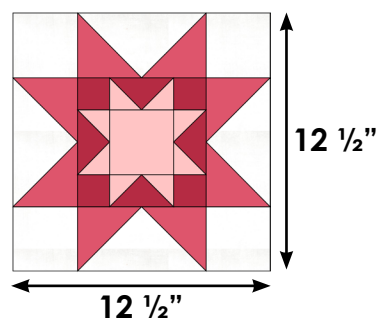

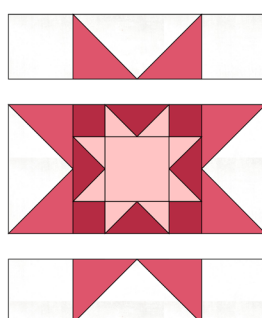

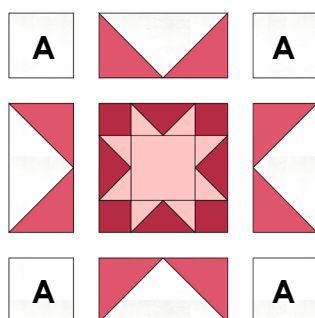

- Repeat flying geese unit assembly techniques to make small flying geese units. Gather (8) E triangles and (4) F triangles to make (4) identical small flying geese units measuring 2" x 3 1/2" unfinished.

5. Complete the block center star using (4) small flying geese units, (4) D squares and (1) G square. For all seams, press to the plain squares and away from the flying geese units.

6. Once complete, the block center star should measure 6 1/2" x 6 1/2" unfinished.
7. Complete the block using the block center star, (4) large flying geese units and (4) A squares. Sew together in rows. For all seams, press toward the block center star and the A squares.
8. Sew rows together to complete the block. Block should measure 12 1/2" x 12 1/2" unfinished.

Be sure to share your block and progress online!
