

To make the best use of fabric, color 254, cut 1- 10 1/4" square and set aside for Block 14.

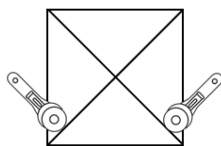

Cutting

A	(2) 5 3/8" squares; cut each square once diagonally to make (4) A triangles. <i>Grunge #30150 101</i>
B	<u>Before cutting see note above</u> (2) 5 3/8" squares; cut each square once diagonally to make (4) B triangles. <i>Grunge #30150 254</i>
C	(12) 2 3/8" squares; cut each square once diagonally to make (24) C triangles. <i>Grunge #30150 101</i>
D	(2) 4 1/4" squares; cut each square twice diagonally to make (8) D triangles. <i>Grunge #30150 325</i>
E	(2) 4 1/4" squares; cut each square twice diagonally to make (8) E triangles. <i>Grunge #30150 332</i>

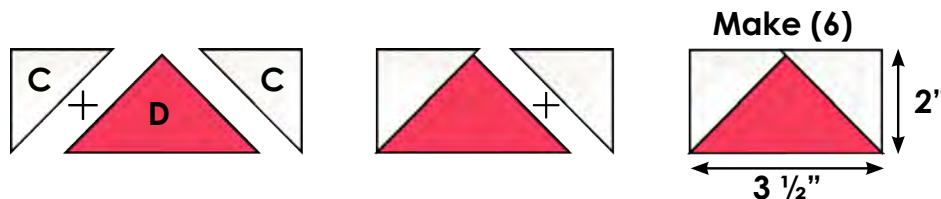

Cut Square Once Diagonally

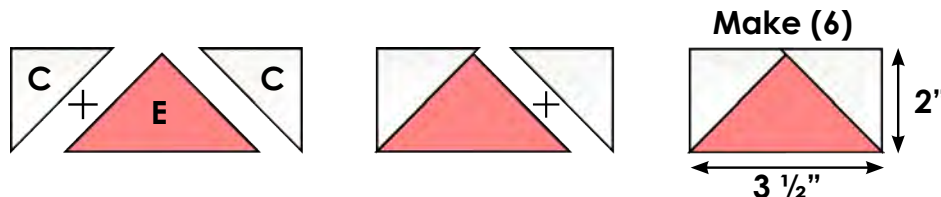

Cut Square Twice Diagonally

Assembly

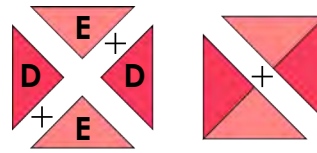

- Flying geese units are created in two colorways. Begin colorway 1 using (12) C triangles and (6) D triangles. Centering the C triangles, sew the longest edges of (2) C triangles to either side of (1) D triangle as shown. Press seams outward toward the corner.
- Repeat to make (6) C/D flying geese units. Trim flying geese units to measure 2" x 3 1/2" unfinished.

- Repeat flying geese unit assembly techniques to make (6) units using C and E triangles. Diagrams show accurate fabric placement. Trim flying geese units to measure 2" x 3 1/2" unfinished.

4. Lay out (2) D triangles and (2) E triangles to form a QST unit as shown. The longest edges of each triangle will form the outside edges of the unit.

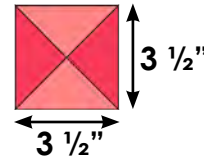

Block 8

Fly Away Home

5. Sew together, pressing to the dark fabric.

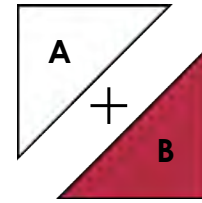

6. Trim the QST unit to measure 3 1/2" x 3 1/2" unfinished.

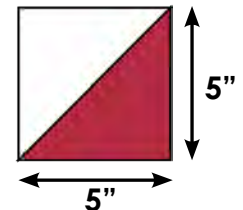

7. Begin HST unit assembly using (4) A triangles and (4) B triangles. Place A and B triangles right sides together and edges aligned.

8. Sew along the longest edge using a 1/4" seam. Press to the dark fabric.

9. Trim all (4) HST units to measure 5" x 5" unfinished.

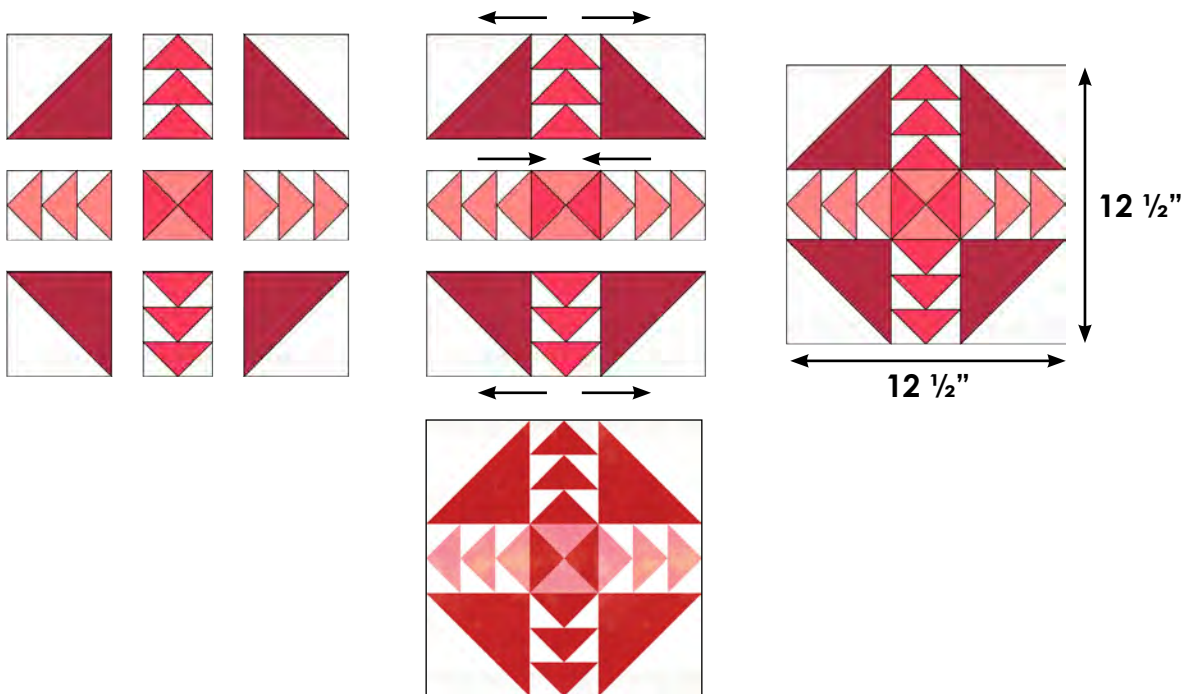

Make (4)

10. Begin block assembly by laying out all flying geese units, all HST units and the QST unit in the center of the block. Keep C/D and C/E flying geese units separated by colorway as shown.

11. Sew the block together in (3) horizontal rows. Arrows indicate pressing instructions.

12. Sew horizontal rows together to complete the block, pressing away from the center row to complete. Block should measure 12 1/2" x 12 1/2" unfinished.

Be sure to share your block and progress online!
