## Applique:

On the paper side of the fusible webbing, draw the applique pieces per the following: 40 - A, 8 - B, 2 - C, 2 - D, 16 - E, 8 - F, 4 - G, 10 - H, 10 - I, 3 - J, 3 - JR, 3 - K, 3 - KR, 3 - L, 3 - M and 3 - N. Cut roughly around the shapes and fuse to the back of the fabrics per chart. Cut each out exactly on the line.

Following the diagrams and quilt assembly, fuse the pieces in place and applique using your favorite applique method.

**Piecing:** If you are using directional fabric, plan your layout so that the directions are correct and place the applique where you would like it.

1. Sew a 2" x 4 3/4" rectangle of accent fabric between two 4 3/4" squares of different fabrics. Sew a 2" x 10 1/2" rectangle of accent fabric to one long side. Sew a 4 3/4" x 10 1/2" rectangle of a third fabric to the piece. Press all seams towards the accent fabric. The block should measure 10 1/2" square. Repeat to make a total of 10.

2. Lay out the 10 1/2" squares of fabrics, the 2" x 10 1/2" rectangles of accent fabric, the blocks from step 1 and the 2" x 45" sashing strips in rows. Sew pieced rows together and press towards the accent fabric. Sew the sashing strips and pieced rows together and press towards the sashing strips.

3. Sew on the inner borders, pressing towards the borders as you add them. Miter the outer borders and press towards the borders as you add them.

4. Quilt, bind and enjoy!
