

GNOME FOR CHRISTMAS PANEL QUILT

GNOME FOR CHRISTMAS PANEL QUILT

FINISHED QUILT SIZE 49" x 56½"

Measurements include ¼" seam allowance.

Sew with right sides together unless otherwise stated.

CUTTING REQUIREMENTS

Please read instructions before cutting fabrics. Refer to the quilt photo for the placement of each of the fabrics included in the kit. Use a straight edge ruler and rotary cutter to cut your fabrics.

FABRIC REQUIREMENTS

1 FP10614 Red Gnome for Christmas Panel

1 Yard F10610 F10610 Black Main

⅝ Yard F10612 Red Snowflake

⅝ Yard F10613 Black Stripe (Includes Binding)

CUTTING REQUIREMENTS

Please read instructions first before cutting. The panel needs to measure 35½" wide x 43" high. If your panel is slightly larger than this, do not trim off the entire difference from only one side of the panel. In order to make sure that the image in the panel remains centered, you may need to trim a little bit from both sides of the panel. This is also true if the height of the panel measures larger than 43".

Red Gnome for Christmas Panel

Cut 1 rectangle 35½" x 43".

Black Main

Cut five strips that measure 5½" x WOF for the outer border.

Red Snowflake

Cut four strips that measure 2½" x WOF for the inner border.

Black Stripe

Cut six strips that measure 2½" x WOF for the binding.

QUILT ASSEMBLY

Refer to the quilt photo for placement of fabrics.

Borders

Sew the strips for each border together end to end to create one long strip. From this long strip, cut the strips needed for each border. Seam allowances vary so measure through the center of the quilt before cutting border pieces. Sew side borders first. Press the seam allowances towards the outside of the quilt.

Border 1

Sew a 2½" x 43" strip of red snowflake border fabric to the right side of the panel and press. Sew another 2½" x 43" strip to the left side of the panel and press.

Next, sew a 2½" x 39½" strip of red snowflake border fabric to the top of the panel and press. Sew another 2½" x 39½" strip to the bottom of panel and press.

Border 2

Sew a 5½" x 47" strip of black main border fabric to the right side of border 1 and press. Sew another 5½" x 47" strip to the left side of border 1 and press.

Next, sew a 5½" x 49½" strip of black main border fabric to the top of border 1 and press. Sew another 5½" x 49½" strip to the bottom of border 1 and press.

Finish quilt by layering the quilt top, batting, and back. Bind with the black stripe strips from the Gnome for Christmas Collection. Have fun with your colors and enjoy the journey of making your quilt.
