Lay out your triangle fabric pieces as in the main diagram. Take two triangle pieces and sew them together to make a square, press and then trim to a

4½" x 4½" square.

On two sets you will not use the background fabric to make up the square.

When you have made all the blocks lay out in rows as in the main diagram. Stitch down the rows, press the seams in the opposite way on each row. This will help when sewing your rows together. Two rows of block with sashing in between.

Sew all the rows and sashing together.

Next add the border strips to the sides, then the top and bottom strips.

### **Quilting**

Sandwich quilt top, wadding and backing together. Quilt by hand or machine as desired. Trim backing and wadding to size of quilt.

### **Binding**

Use your favorite method from fabric 11 to bind the quilt.
