Morning Flight

Introducing Andover Fabrics new collection: **Shadow and Light** by Andover Fabrics

Quilt designed by Janet Houts

Quilt finishes 60" x 72"

30 Blocks: 12" x 12"

Calming and understated are the words to describe this sweet quilt. The multi-prints blend into an overall subtle design constructed with easy-to-piece Flying Geese blocks.

Cutting Directions

Note: Read assembly directions before cutting patches. All measurements are cut sizes and include 1/4" seam allowances. A fat 1/8 is a 9" x 20"-22" cut of fabric. WOF designates the width of fabric from selvedge to selvedge (approximately 42" wide).

Fabric A

Cut (60) rectangles 3 1/2" x 12 1/2"

Cut (240) squares 3 1/2" x 3 1/2"

24 Lights

From each:
Cut (5) rectangles 3 1/2" x 6 1/2"

Binding

Cut (7) strips 2 1/2" x WOF for binding

Backing

Cut (2) panels 40" x 68", pieced to fit quilt top with overlap on all sides

Making the Quilt

- To make the Flying Geese, draw a diagonal line on the wrong side of each Fabric A 3 1/2" square. Place a marked square on one end of a light print 3 1/2" x 6 1/2" rectangle, right sides together. Sew on the marked line; trim away and discard excess fabric (Diagram 1). Press open. Repeat this process on the opposite end of the rectangle (Diagram 2) to make a Flying Geese Unit. Make 120 total.

- Referring to the block diagram, arrange and join 4 different Flying Geese for each block. Sew Fabric A rectangles to opposite sides of the Flying Geese to make a block. Make 30 blocks.

Make 30 blocks

- On a flat surface or design wall, arrange the blocks in 6 rows of 5 blocks each, rotating the blocks as shown. Looking through a camera or the wrong end of binoculars may help you find mistakes. Once you are satisfied with the arrangement, join the blocks in rows, and then join the rows.

Finishing the Quilt

- Layer the quilt with batting and backing and baste. Quilt in the ditch around block patches. Quilt the Fabric A rectangles as you wish. Or, quilt an overall design. Bind to finish the quilt.
