Stitching with Lynne...

- The quilting tip I wish I'd learned when I first started is... spray sizing is magic for flattening seams.
- My best advice to new quilters is to... start with a simple project to learn the basics.
- When it comes to quilting/sewing tools, don't get between me and my... Quilters Select rotary cutter, rulers and mat.
- Don't tell anyone, but when I'm sewing, I don't worry about... perfection.
- My "rock-star stitch group" includes... our KTQ employees -Joy Johnson, Lisa Smith and Tammy Kuntz. I couldn't get it all done without these lovely ladies.
