QUILT ASSEMBLY

Refer to the cutting requirements list, quilt photo and layout diagram for the placement of prints. Follow pressing arrows as shown.

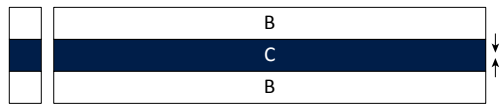

Corner Blocks

1. Sew strips **A** & **D** together lengthwise to make a strip set. There will be 2 WOF strip sets and 1 shorter 22" strip set. Subcut into 2½" Unit 1 segments. Make 40 Unit 1 segments.

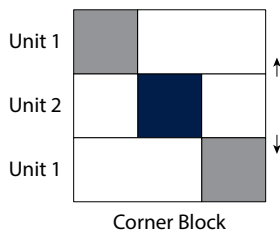

Unit 1 segment

2. Sew a **C** strip between 2 **B** strips lengthwise. There will be 1 WOF strip set and 1 shorter 12" strip set. Crosscut into 2½" Unit 2 segments. Make 20 Unit 2 segments.

Unit 2 segment

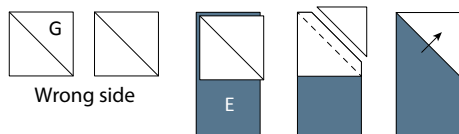

3. Sew Unit 1 segments on each side of a Unit 2 segment as shown to complete a Corner Block (6½" square). Make 20 Corner Blocks.

Corner Block

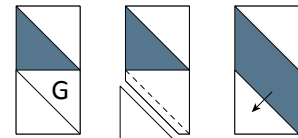

Stripe Units

1. Stripe Blocks are created using the Stitch and Flip method. On the wrong side of 2 **G** squares draw a diagonal line from corner to corner.
2. Position a marked **G** square right sides together (RST) on the top right corner of an **E** rectangle as shown. The drawn line will cross in front of the top right corner. Stitch on the drawn line. Cut excess fabric away ¼" from stitching. Flip the triangle up and press. The top right corner has been replaced.

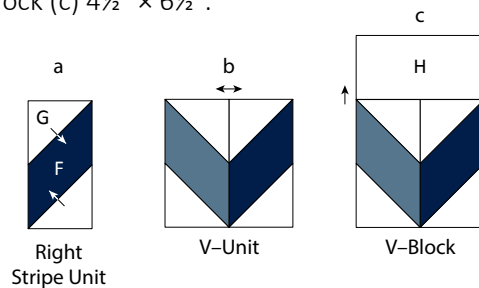

Wrong side

4. Repeat Steps 2 & 3 to replace the bottom left corner of rectangle **E** using the second marked **G** square, making a Left Stripe Unit. Make a total of 20 Left Stripe Units.

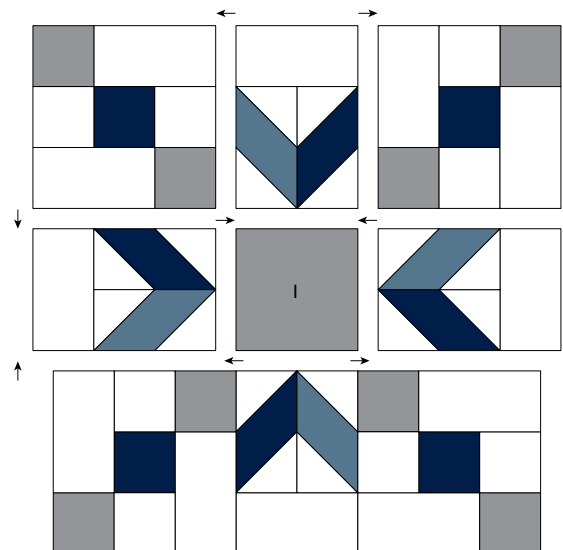

Left Stripe Unit

5. Repeat Steps 1–4, using an **F** rectangle and 2 **G** squares to replace the top left and bottom right corners, making a Right Stripe Unit (a). Make a total of 20 Right Stripe Units.
6. Sew together 1 Left and 1 Right Stripe unit, creating a V–Unit (b). Make 20 V–Units.
7. Sew rectangle **H** to the top of the V–Unit to complete a V–Block (c) 4½" × 6½".

Block Construction

1. Arrange 4 V–Blocks, 4 Corner Blocks and an **I** square in a 3 × 3 configuration.

2. Sew blocks together side-to-side into rows. Sew rows together to complete the block (16½" × 16½"). Make 5 Blocks.

Winter Barn Quilt

Quilt Center

1. Arrange the panel squares and Blocks into a 3 x 3 setting, alternating squares and blocks.
2. Sew blocks and squares together side-to-side into rows. Sew rows together, nesting seams as you go. The quilt center now measures 48½" x 48½".

Inner Border

1. Sew 5 inner border strips 1½" x WOF together end-to-end.
2. From this strip cut 2 borders 48½" in length. Sew 1 to each side of the quilt top.

3. Cut 2 more inner borders 50½" in length. Sew 1 to the top, the other to the bottom of the quilt top. The quilt now measures 50½" x 50½".

Outer Border

Repeat Inner Border, Steps 1–3 using 6 outer border strips. Side borders should measure 50½" in length; top & bottom borders should measure 59½" in length. The quilt now measures 59½" x 59½".

Finishing

Finish quilt by layering the quilt top, batting, and back. Bind with 2½" Navy Compass strips.

Have fun and enjoy the journey of making your quilt!
