Oh My Stars ©2022

Featuring Birds of a Feather by Plumcute Designs™ for Marcus Fabrics
 Finished size approximately 35-inches square

General Directions

Center star block measures 25-inches square (finished)

Corner blocks measure 5-inches square (finished)

Center Star cutting requirements

from R560405D tonal floral cream cut the following to create (A)

- cut two squares measuring 8 1/8 -inches square
- cut each of these in half diagonally

from R560410D little X's cream cut the following to create (A)

- cut two squares measuring 8 1/8-inches square
- cut each of these in half diagonally

from R560405D tonal floral cream cut the following to create (B)

- cut two squares measuring 6-inches square
- cut each of these in half diagonally

from R560410D little X's cream cut the following to create (B)

- cut two squares measuring 6-inches square
- cut each of these in half diagonally

from each of the following cut one (C) unit as shown by the diagram to the right

- R560404D berries (blue)
- R560406D diamonds (gold)
- R560408D sprigs (green)
- R560409D set dots (dark rose)

from each of the following cut one (D) unit as shown by the diagram to the right

- R560407D tiny dots (aqua)
- R560407D tiny dots (blush)
- R560409D set dots (yellow)
- R560410D little X's (green)

Assembling your center star...working clockwise, refer to the block diagram to the right as needed

- sew one tonal floral cream (A) to the left side of your tiny dots aqua (D)
- sew one little X's cream (B) to the right side of your tiny dots aqua (D)
- sew one tonal floral cream (B) to the left side of your berries blue (C)
- sew one little X's cream (A) to the right side of your berries blue (C)
- sew one tonal floral cream (A) to the left side of your tiny dots blush (D)
- sew one little X's cream (B) to the right side of your tiny dots blush (D)
- sew one tonal floral cream (B) to the left side of your set dots dark rose (C)
- sew one little X's cream (A) to the right side of your set dots dark rose (C)
- sew one tonal floral cream (A) to the left side of your set dots yellow (D)
- sew one little X's cream (B) to the right side of your set dots yellow (D)
- sew one tonal floral cream (B) to the left side of your diamonds gold (C)
- sew one little X's cream (A) to the right side of your diamonds gold (C)
- sew one tonal floral cream (A) to the left side of tiny X's green (D)
- sew one little X's cream (B) to the right side of your tiny X's green (D)
- sew one tonal floral cream (B) to the left side of your sprigs green (C)
- sew one little X's cream (A) to the right side of your sprigs green (C)

At this point you should have eight right triangle units made

starting with the tiny dots aqua unit and working clockwise, sew your pieces together working from blue to pink to yellow to green to create your center star

once you have finished the center star gently press & set aside while you create your four corner blocks

You will use the same assembly steps above to create your four corner star blocks...cutting requirements for these blocks are listed below.

Note: there is no (D) unit for this only (C) so substitute (C) for each step above where (D) is listed

from R560405D tonal floral cream cut the following to create (A)

- cut two squares measuring 2¼-inches square

- cut each of these in half diagonally

from R560410D little X's cream cut the following to create (A)

- cut two squares measuring 2¼-inches square

- cut each of these in half diagonally

from R560405D tonal floral cream cut the following to create (B)

- cut two squares measuring 1 7/8-inches square

- cut each of these in half diagonally

from R560410D little X's cream cut the following to create (B)

- cut two squares measuring 1 7/8-inches square

- cut each of these in half diagonally

Featuring Birds of a Feather by Plumcute Designs™ for Marcus Fabrics
Finished size approximately 35-inches square

from each of the following cut one (C) unit as shown by the diagram
to the right

- R560404D berries (blue)
- R560406D diamonds (gold)
- R560408D sprigs (green)
- R560409D set dots (dark rose)
- R560407D tiny dots (aqua)
- R560407D tiny dots (blush)
- R560409D set dots (yellow)
- R560410D little X's (green)

once you have created your four corner blocks gently press & set aside

Cutting border strips from R560401D allover patchwork

cut two strips measuring $5\frac{1}{2}$ X $25\frac{1}{2}$ -inches wide (so that when you sew them to your center star & corner blocks it will look like they are pieced borders)...you may have to fiddle with the length a skoosh as seam allowances vary from machine to machine and no two sewists are alike...play with these pieces so that your borders look pieced with the preprinted blocks centered on star accordingly

sew one border strip to each side of your center star

measure and cut two more border strips to complete your project...again you may need to fiddle a little with the measurements depending on seam allowances etc.

for these remaining two borders you will sew a corner block onto each end prior to sewing it onto your center
sew to center to complete project top

gently press out all wrinkles

quilt & bind as desired...I used R560402D floral pink for my binding

Enjoy!
