3. Each of the final blocks will be assembled by pairing the following fabrics:

**Fabric A with Fabric D**

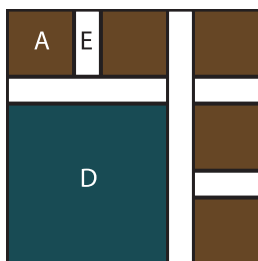

**Fabric B with Fabric C**

(i.e. Use the large Fabric A square with the smaller Fabric D squares, etc. See diagrams.)

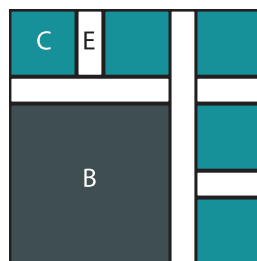

Start by assembling the first vertical column of the block as shown, using a unit from step 1, a Fabric E 1-1/2" x 9-1/2" strip, and the appropriate 9-1/2" square (see pairs listed above). Next, add a Fabric E 1-1/2" x 14-1/2" strip and a unit from step 2 on the right side to complete the block. The block should measure 14-1/2" square.

4. Assemble each row of the quilt as shown in the quilt diagram on the following page, using the remaining Fabric E 1-1/2" x 14-1/2" strips as vertical sashing strips. **Pay special attention to the orientation of each block and the placement of fabrics.** Finally, sew the rows together, using the Fabric E 1-1/2" x 61-1/2" strips as horizontal sashing strips.

5. Quilt and bind as desired.
