From each fabric or fat quarter cut (9) 6" x 6" squares

Note: You will have 1 extra square from some of the fabrics.

Binding

Cut (8) 2-1/4" x WOF strips

WOF - Width of Fabric

LOF - Length of Fabric

RST - Right Sides Together

HST - Half Square Triangle

Hello from Christina

Hi quilting friends,

I do not prewash my fat quarters and was able to cut 6" squares for this project. If you have prewashed yours, this project will still work great if you cut your squares a little smaller. The beauty of this project is the color and the size can vary, as long as you cut everything the same. I didn't even trim my HSTs before I sewed them together - crazy, I know! - and the results were exactly as I imagined.

Have fun! Get in touch if you have any questions!
