Fabric collection by P&B Textiles

Quilt designed by Cyndi Hershey

Skill level: Confident Beginner • Finished Quilt Size: approximately 92" square

## Yardages:

Fabric A: <b>CAME 5040 B</b> .....	2 3/4 yards
Fabric B: <b>CAME 5041 B</b> .....	1 1/8 yards
Fabric C: <b>CAME 5043 B</b> .....	1 1/4 yards
Fabric D: <b>SUE6 302 BB</b> .....	2 3/4 yards
Fabric E: <b>CAME 5042 G</b> .....	1/2 yard
Fabric F: <b>CAME 5042 P</b> .....	3/4 yard
Fabric G: <b>CAME 5042 E</b> .....	3/4 yard
Fabric H: <b>CAME 5045 MU</b> .....	1 1/2 yard
Backing: <b>108" suggested</b> .....	3 yards
Batting .....	100" x 100"

## Cutting Instructions:

Please read all instructions carefully before beginning. Strips are cut across the width of fabric (perpendicular to selvages) unless otherwise stated. All seams are sewn with a 1/4" seam unless otherwise stated. Label all pieces.

### From Fabric A:

1. Cut four 8 1/2" strips on the length of the fabric (parallel to selvages). (Outer Border)

### From Fabric B:

1. Cut three 11 1/8" strips; subcut nine 11 1/8" squares. (Block B)

### From Fabric C:

1. Cut two 3 3/4" strips; subcut sixteen 3 3/4" squares. Cut each square diagonally in both directions to yield sixty-four quarter-square triangles. (Block A)
2. Cut four 8" strips; subcut sixteen 8" squares. (Block A)

### From Fabric D:

1. Cut eight 2" strips. Sew two strips together on the diagonal into a pair. Press seams open. Repeat to make four pairs. (Inner Border)
2. Cut ten 2 1/2" strips. (Binding)
3. Cut ten 3" strips. From five strips, cut sixty-four 3" squares. Remaining strips are used for strip sets. (Block A)
4. Cut four 3 3/4" strips; subcut thirty-two 3 3/4" squares. Cut each square diagonally in both directions to yield one hundred twenty-eight quarter-square triangles. (Block A)

### From Fabric E:

1. Cut eight 1 1/2" strips. Sew two strips together on the diagonal into a pair. Press seams open. Repeat to make four pairs. (Middle Border)

### From Fabric F:

1. Cut two 3 3/4" strips; subcut sixteen 3 3/4" squares. Cut each square diagonally in both directions to yield sixty-four quarter-square triangles. (Block A)
2. Cut six 2 1/4" strips. Cut thirty-six trapezoid shapes measuring 8 1/4" along long side (tip to tip). Cut back and forth along strip as shown below.

### From Fabric G:

1. Cut five 3" strips. (Block A)
2. Cut two 3 3/8" strips; subcut eighteen 3 3/8" squares. Cut each square diagonally in half to yield thirty-six half-square triangles. (Block B)

### From Fabric H:

1. Cut four 9 3/4" strips. Cut twelve triangles measuring 19" from tip to tip as shown. Cut back and forth along strip as shown below. (Side Setting Triangles)

2. Cut one 7 1/4" strip. Cut four triangles measuring 13 3/4" from tip to tip using the same technique as shown above. (Corner Setting Triangles)

## Piecing Instructions:

### Block A

1. Sew one 3" D strip to one 3" G strip. Press toward D. Repeat to make five strip sets. Cut sets into sixty-four 3" segments.
2. Sew one 3 3/4" C triangle to one 3 3/4" D triangle along short sides as shown. Press toward D. Sew one 3 3/4" F triangle to one 3 3/4" D triangle along short sides as shown. Press toward D. Sew both sets together to complete one quarter-square-triangle unit (Figure 1). Repeat to make sixty-four units.

Figure 1

Make sixty-four 3" squares.

3. Sew one 3" D square to both sides of one unit from Step 2 as shown. Repeat to make thirty-two units. Sew one unit to both sides of one 8" C square. Press seams open or away from the square (Figure 2).

Figure 2  
**Make 16.**  
**Unfinished 8" x 13"**

4. Sew one 3" segment from Step 1 to both sides of one unit from Step 2. Press toward the segments. Repeat to make thirty-two rows. Sew one row to the top and bottom of the unit from Step 3 (Figure 3). Repeat to complete sixteen Block A.

Figure 3 **Make sixteen 13" squares.**

#### Block B (Figure 4)

1. Fold one 11 1/8" B square in half and pinch or mark center along two sides of square. Fold square in half in opposite direction and mark center of both remaining edges.
2. Fold one F trapezoid in half crosswise and mark centers of both edges. Sew the long edge of trapezoid to B square matching centers of both pieces. Repeat with three more trapezoids and sew to remaining sides of B square.
3. Fold one 3 3/8" G triangle in half and mark center long edge of triangle. Sew this edge to the trapezoid already sewn to the B square matching centers of both pieces. Repeat with three more G triangles. At this stage, the outer edges of the triangles and trapezoids should be aligned.

Figure 4  
**Make nine 13" squares.**

The corners of the B square should be extending out on all four sides.

4. Use a ruler and rotary cutter to trim corners of the B square by aligning edge of ruler with edges of the FG pieced corner.

### Quilt Assembly:

1. Referring to quilt diagram, sew Blocks A and B together into rows. Press toward the B blocks.
2. Sew one side setting H triangle to both ends of each row where shown. Sew one corner setting H triangle to the remaining side of Blocks A. Press toward the setting triangles. Pay careful attention to the direction of the stripes within the H triangles when sewing to block rows.
3. Sew one 2" D strip to one 1 1/2" E strip matching centers of both strips. Sew one 8 1/2" A strip to the E strip again matching centers. Press all seams toward the A strip. Ends of strips will be uneven. Sew the strip set to one side of the quilt matching the center of the D strip to the center of the quilt edge. Sew border to quilt beginning and ending a generous 1/4" from edges of quilt. Repeat for opposite side of quilt.
4. Repeat Step 3 except press seams of border sets toward the D strips. Sew borders to top and bottom of quilt.
5. Close corners of borders with mitered seams using your preferred method. The seams should lock together due to the pressing direction of the border strips. Trim seams to 1/2" and press open.

### Finishing:

1. Press 108" backing well. No need to trim.
2. Layer quilt, batting, and backing. Baste layers together.
3. Quilt as desired.
4. Trim layers even with quilt top, squaring corners. If desired, mark and cut each corner with a rounded edge. Use a plate or other method to mark the curves. Be sure to center the curves using the miter seam as your guide.
5. Join ten 2 1/2" D binding strips with diagonal seams. Press seams open. Attach binding using your favorite method.
6. Make a label and sew to the back of the quilt.
