# ARRIVAL OF WINTER MAT & RUNNER

## FINISHED QUILT SIZES

MAT 33" x 33"

RUNNER 75" x 21"

## GENERAL INSTRUCTIONS

Please read all instructions before beginning the project.  
Yardage calculated using a 42" usable width of fabric.

Please note that prewashing can shrink your fabric. Always verify after washing and drying that there is still 42" of usable width available. Shrinkage can affect the size of panel motifs and fussy cutting sizes may need to be adjusted. If this is the case, add strips around the edge of the fussy cut piece to create a pieced unit that matches the size of the fussy cut dimensions given in the cutting instructions.

Please check our website <https://www.rileyblakedesigns.com/pattern-updates> for any revisions before starting this project. This pattern requires a basic knowledge of quilting techniques and terminology. The quilt and block diagrams portrayed are virtual images. The layout and look of your project may differ when using actual fabric. Press all seams open unless otherwise indicated.

WOF = Width of Fabric  
RST = Right Sides Together  
HST = Half Square Triangle  
SNF = Stitch and Flip

## ASSEMBLY INSTRUCTIONS

### SEWING TECHNIQUES

Measurements include 1/4" seam allowance. Sew with right sides together unless otherwise stated. Refer to the quilt photo for placement of the prints. Dimensions listed in steps are unfinished sizes unless stated otherwise.

Some angled pieces are constructed using the Stitch and Flip (SNF) and 2-at-a-Time Half Square Triangle (HST) methods. These methods are described below and referenced throughout the pattern.

### STITCH AND FLIP METHOD (SNF)

Place (2) pieces RST, matching raw edges in the corner to be replaced. Draw a diagonal line on the wrong side of the smaller piece across the corner. Stitch on the drawn line. Trim the seam allowance above the sewn line to 1/4". Flip the small piece away from the bottom piece and press, replacing the corner. The size of the larger, original piece does not change.

### 2-AT-A-TIME HALF SQUARE TRIANGLE METHOD (HST)

Place (2) squares RST. Draw a diagonal line on the wrong side of one square. Stitch 1/4" on each side of the drawn line. Cut on the drawn line to create (2) HSTs. Press toward the darker fabric. Trim HSTs to desired size.
