Piecing Instructions:

 Refer to Quilt Diagram.

NOTE: New to doing mitred corners? Check out this YouTube video that explains how to do it very clearly: <https://youtu.be/wMWQABZwis8>

1. Matching centers of all strips, sew together in order one 2" x 48" E strip, one 1" x 48" C strip, one 1 1/2" x 50" D strip, and one 4 1/2" x 60" B strip. Press seams toward B strip. Repeat to make two side border sets.
2. Matching centers of all strips, sew together in order one 2" x 42" E strip, one 1" x 42" C strip, one 1 1/2" x 44" D strip, and one 4 1/2" x 54" B strip. Press seams toward E strip.
3. With E strip against long side of A rectangle, sew one Step 1 strip set to the A rectangle matching center of strip set to center of A rectangle. Begin and end seam a generous 1/4" from edge of A rectangle and back stitch at both ends. Press toward the strip set. Repeat for opposite side of A rectangle. Note that ends of strip sets will be uneven and extend beyond edge of the A rectangle.
4. Repeat Step 3 and sew the Step 2 strip sets to the top and bottom of the A rectangle. Press toward these seams toward the A rectangle.
5. Close corners with mitred seams. Note that side seams will nest well with top/bottom seams because seams were pressed in opposite directions. Trim corner seams to 1/2" and press open.

Finishing:

1. Prepare backing with two widths of fabric using horizontal seam/s. Press seams open and trim backing to 56" x 62".
2. Layer quilt, batting, and backing. Baste layers together.
3. Quilt as desired.
4. Trim layers even with quilt top squaring corners.
5. Join six 2 1/2" D binding strips with diagonal seams. Press seams open. Attach binding using your favorite method.
6. Make a label and sew to the back of the quilt.
