Churn Dash Block Assembly:

1. Draw a diagonal line on the wrong side of (26) 3 1/2" Fabric A squares.
2. Place 3 1/2" Fabric A squares with 3 1/2" squares cut from Fabrics G, H and I, RST and edges aligned. There should be (26) sets of squares.
3. Sew a 1/4" away from the drawn diagonal line on each set of squares. Then, cut along the drawn diagonal line creating (20) A/G HST units, (16) A/H HST units and (16) A/I HST units.
4. Trim HST units to measure 3" x 3" unfinished.

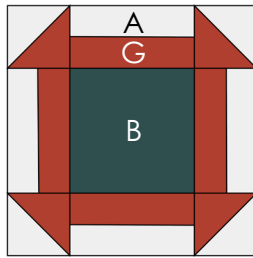

5. Arrange (4) A/G HST units with (1) 6" Fabric B square, (4) 1 3/4" x 6" Fabric A rectangles and (4) 1 3/4" x 6" Fabric G rectangles to form (1) Churn Dash Block Colorway 1.
6. Sew together, pressing seams away from HST units and the center square. The Churn Dash Block Colorway 1 should measure 11" x 11" unfinished.

General Foundation Paper Piecing Instructions:

Designer Note: Shorten your stitch length to approximately 1-1.5 to create a tighter, more secure seam. This will make paper removal easier.

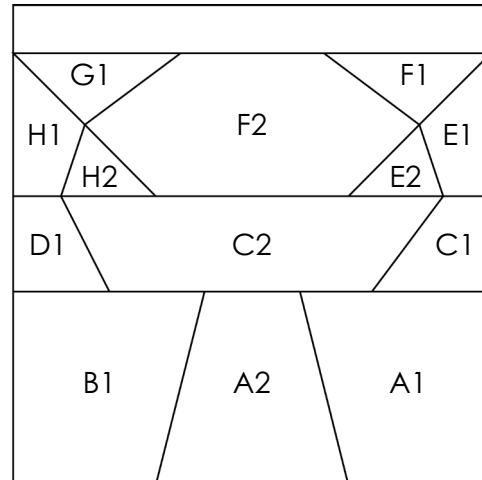

8. Refer to the diagrams as well as the fabric assignment lists for fabric placement and the size of each piece. Fabric assignments/labels were also provided in the Cutting Instructions.
9. Print (6) complete Mushroom Block A foundation template sets and (6) complete Mushroom Block B foundation template sets. Be sure that the printer is set to print at 100% or Actual Size. Check that the 1" Box and 1/4" seam allowances measure properly before proceeding.
10. Cut out the foundation templates from all sheets. Be sure to include the outermost printed line for each foundation template for the 1/4" seam allowance.
11. Group each mushroom together as you cut for organization.
12. Complete the foundation templates in order numerically and alphabetically. Use 1/4" seams and snip threads for a nice finish.
13. When trimming each foundation pieced block/unit, be sure that fabric extends to the edge of the paper to secure your block with a 1/4" seam allowance.

- H2 – Fabric C 3" square

15. Trim Mushroom Block A to measure 11" x 11" unfinished. Repeat to create a total of (6) Mushroom Block A.

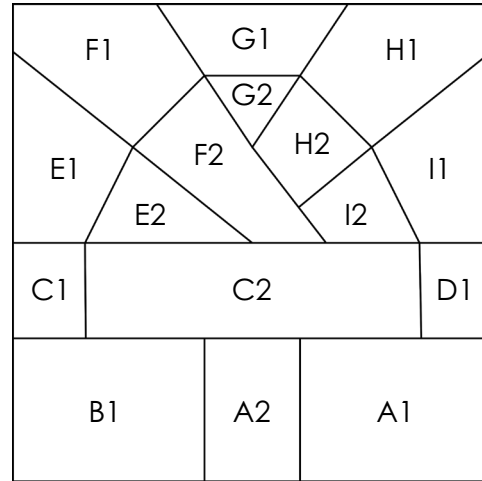

FOREST FINDINGS

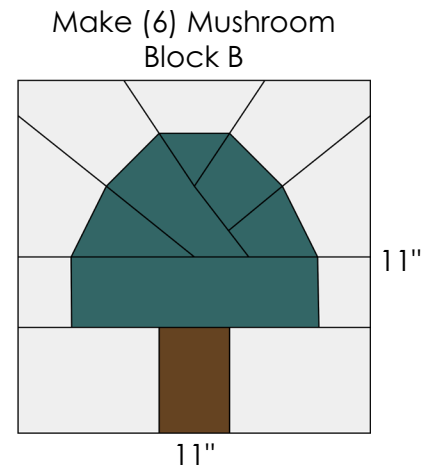

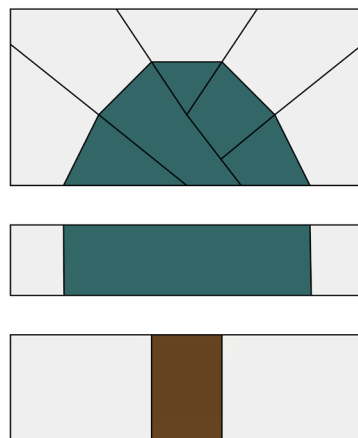

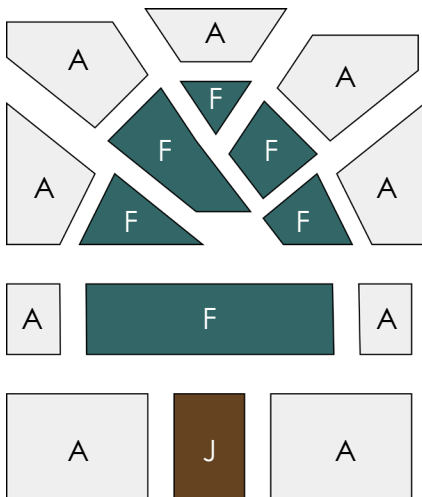

Mushroom Block B Assembly:

16. Use the guide listed below to pair the correct fabric and piece size with the correct template section using the sections listed below with the fabric labels/measurements. Reference the diagram below for location of each section.

- A1 – Fabric A 5" x 3 3/4"
- A2 – Fabric J 2 3/4" x 3 3/4"

- I2 – Fabric F 3 1/4" square

17. Trim Mushroom Block B to measure 11" x 11" unfinished. Repeat to create a total of (6) Mushroom Block B.

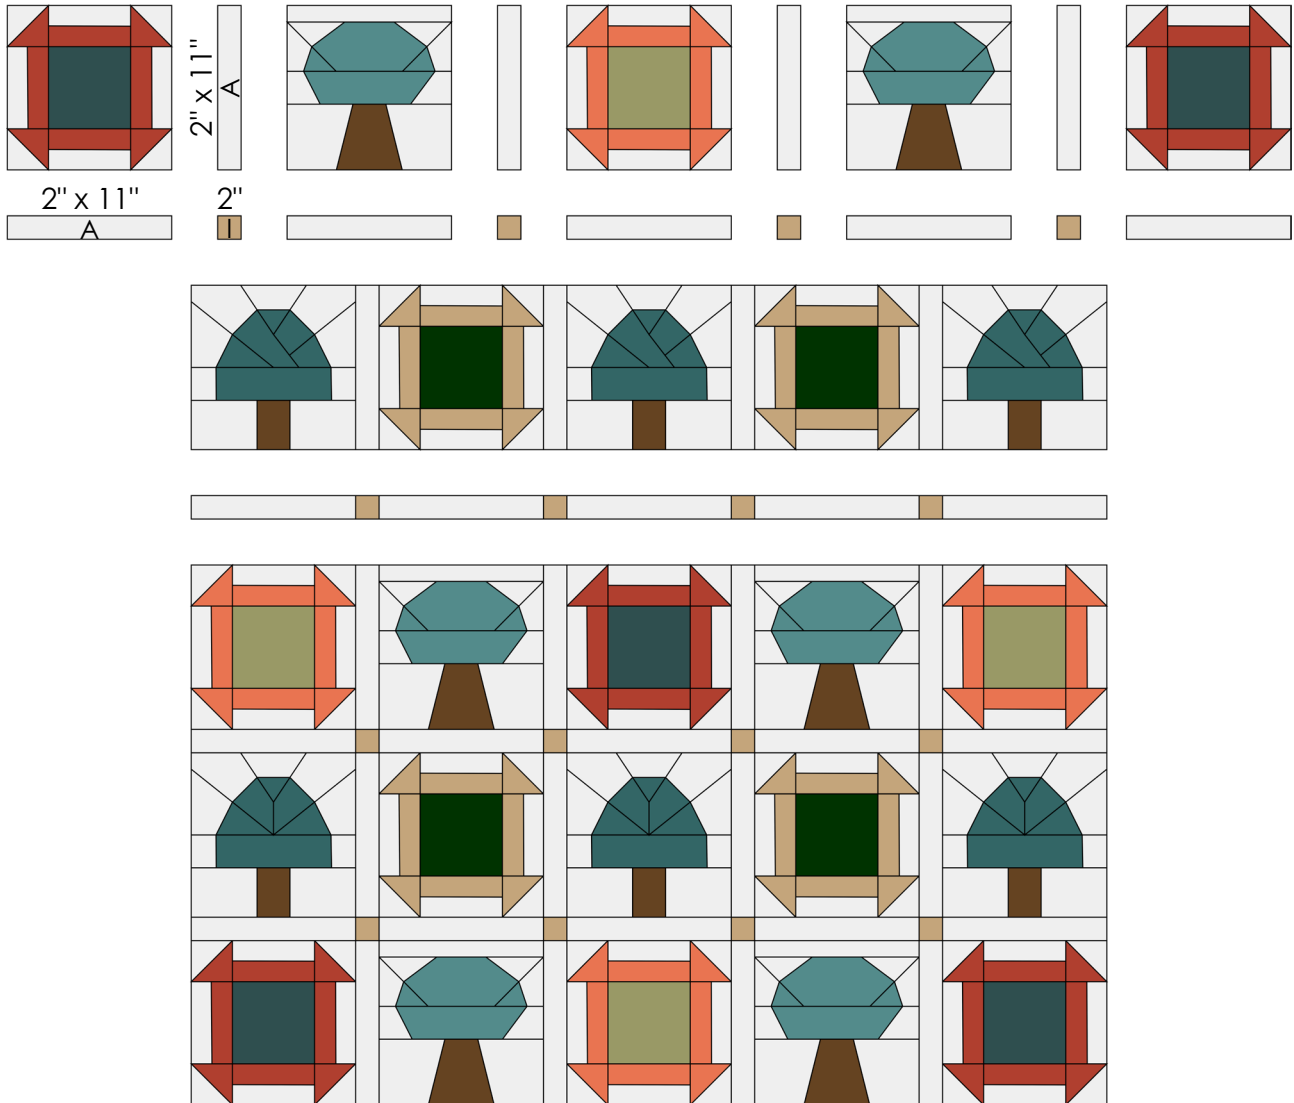

Quilt Assembly:

18. Arrange Churn Dash and Mushroom Blocks in a 5 x 5 grid, referencing the diagram and pattern cover image for placement of each block colorway. Place (1) 2" x 11" Fabric A sashing rectangle vertically in between each block.

19. Arrange sashing rows between each block row. Each sashing row should contain (5) 2" x 11" Fabric A sashing rectangles and (4) 2" Fabric I cornerstone squares.

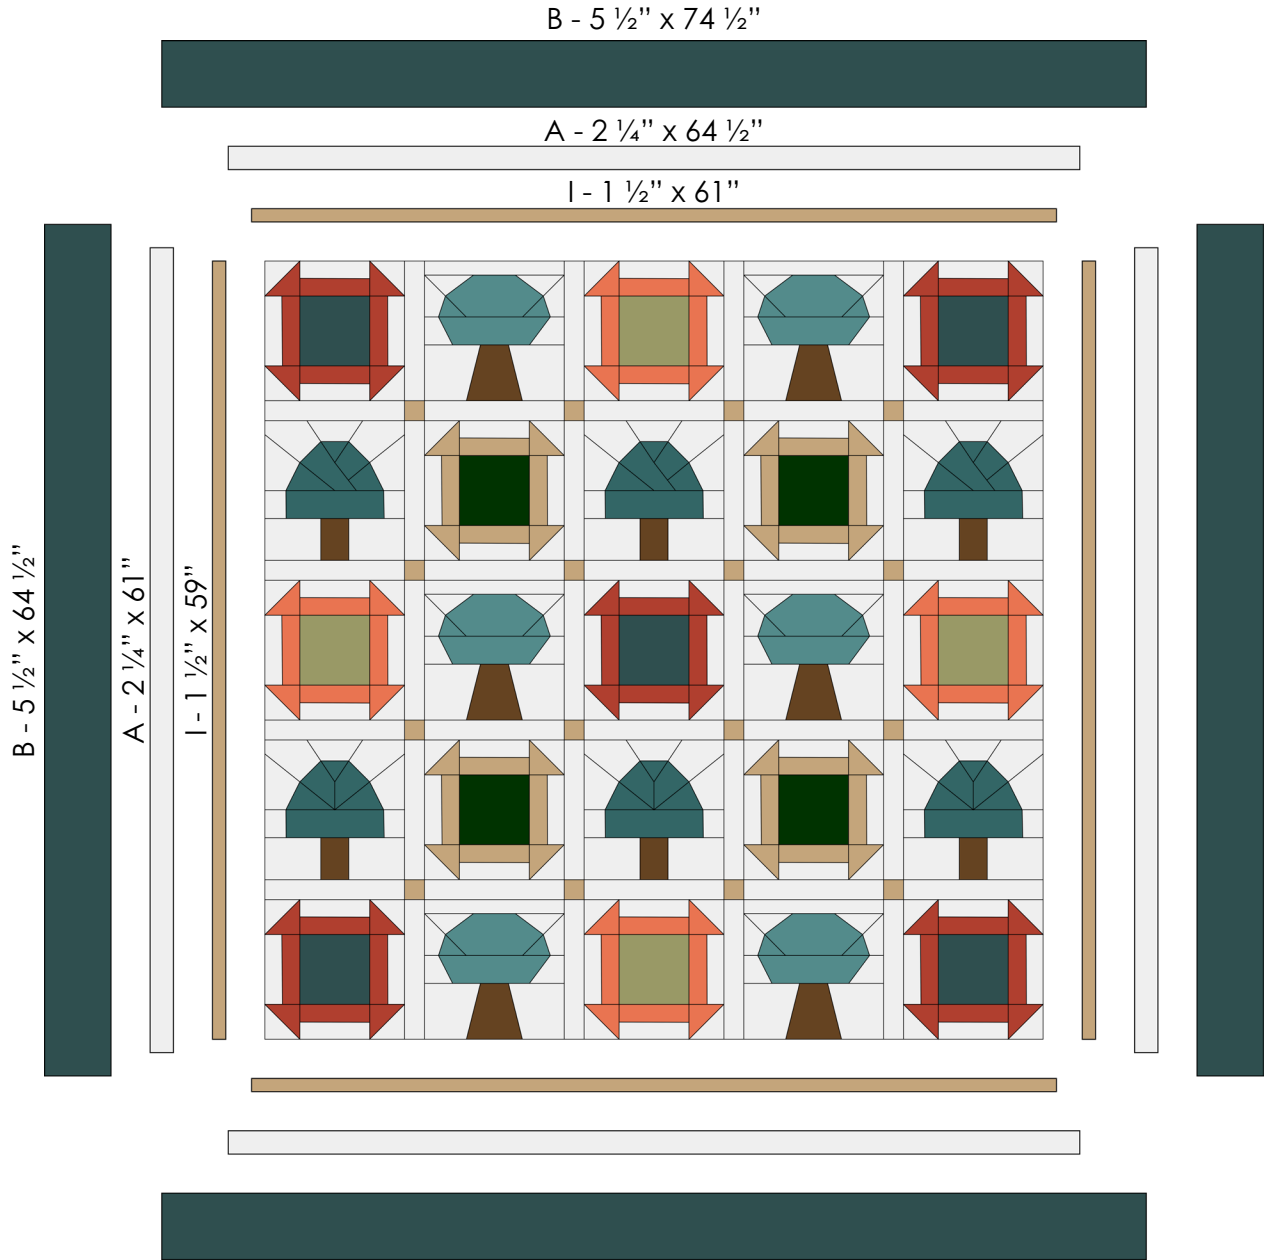

FOREST FINDINGS

20. Sew block rows together, pressing seams toward the sashing rectangles. Block rows should measure 59" x 11" unfinished.
21. Sew sashing rows together, pressing seams toward the sashing rectangles. Sashing rows should measure 59" x 2" unfinished.
22. Sew block and sashing rows together, using pins to align and nestle seams. The quilt top center should measure 59" x 59" unfinished.

23. Attach Borders 1-3 in numerical order. Reference the diagram and the Cutting Instructions for the size of each border. It is recommended to use pins to align each border with the quilt top center to avoid stretching or shifting. Press outward after attaching each border. Once complete, the quilt top should measure 74 1/2" x 74 1/2" unfinished.
