Introducing Andover Fabrics new collection: **NEVERMORE** by Andover Fabrics

Quilt Projects designed by Janet Houts

Quilt: 66" x 66"

Table Runner: 13" x 62"

Small Quilt: 26" x 49"

Placemat: 13" x 18"

This striking wall quilt pays tribute to Halloween, but the prints are so subtle that you can make it as an homage to Autumn. Off-center Log Cabin blocks and easy Flying Geese make this a sure-fire winner. Additional projects will make your homage even more fun.

Cutting Directions for 66" x 66" Quilt

Note: Read assembly directions before cutting patches. All measurements are cut sizes and include ¼" seam allowances. A fat ¼ is an 18" x 20"-22" cut. Borders and sashes are cut the exact lengths required plus ¼" seam allowances. WOF designates the width of fabric from selvedge (approximately 42" wide).

Making the Quilt

1. The blocks are made with half-square triangles (HST). Draw a diagonal line on the wrong side of the Fabric G 6" squares. With right sides together, position a marked square on top of a Fabric L square. Stitch ¼" on each side of the diagonal line. (Diagram 1). Cut apart on the drawn line. Press the seam allowance toward the darker fabric. Trim the HST to 5½" square. Make 12 HST with G and L squares. Follow the directions to make 8 HST with Fabrics E and Q and 8 HST with Fabrics H and O. Trim all HST to 5½". Set aside.

2. Fast Flying Geese are used in this quilt. Draw a diagonal line on the wrong side of the Fabric G 5½" squares. Position a marked square as shown on one end of a Fabric E 5½" x 10½" rectangle (Diagram 2). Stitch on the marked diagonal line. Cut away the excess fabric. Press the corner up. Repeat this step on the opposite end of the rectangle (Diagram 3). The Flying Geese should measure 5½" x 10½". Make 4 Flying Geese with Fabrics E and G, 4 with Fabrics C and Q, and 4 with Fabrics J and P. Set aside.

3. The center block uses a quick stitch-and-flip technique. Draw a diagonal line on the Fabric O 5½" squares. Position a marked square as shown on one corner of a Fabric B 10½" square. Stitch on the marked diagonal line. Cut away the excess fabric. Press the corner up. Repeat this step on the opposite corner (Diagram 4). Repeat the steps on the remaining corners (Diagram 5). The Center Unit should measure 10½" square. Set aside.

4. Refer to Block 1 diagram. Join the strips along 2 sides of the G/L half-square triangle in the order shown. The block should measure 10½" square. If it does not, adjust your stitching or pressing techniques. Make 12 Block 1.
5. Refer to Block 2 diagram. Join the H/O half-square triangles with the Fabric A and Fabric K 5½" squares, rotating the HST as shown. Make 4 Block 2.
6. Refer to Block 3 diagram. Join the strips along 3 sides of the E/G Flying Geese unit. Make 4 blocks like this.
7. Refer to Block 4 diagram. Sew Fabric F squares to ends of the C/Q Flying Geese unit. Sew E/Q half-square triangles to the ends of a Fabric D rectangle. Join the 2 halves, rotating the patches as shown. It should measure 10½" x 20½". Make 4 blocks like this.
8. Refer to Block 5 diagram. Join the appropriate Flying Geese units to the Fabric G squares, and to the Center Unit as shown. Join the rows. The block should measure 20½" square.

9. Arrange the blocks into 5 horizontal rows as shown in the Quilt Assembly. Stand back or look through a camera to be certain the parts are rotated to form the overall design. Position Fabric R $10\frac{1}{2}$ " sashes between blocks in rows 1, 2, 4, and 5. Position Fabric R $20\frac{1}{2}$ " sashes between blocks in the middle row. Join the blocks and sashes to make the rows. Sew long Fabric R sashes between rows. Sew long Fabric R sashes between rows.

Finishing the Quilt

10. Layer the quilt with batting and backing and baste. Quilt in the ditch around sashes and patches. Quilt around the printed motifs as you wish. Bind to finish the quilt.
