Shadow Star

by Lynne Hagmeier of Kansas Troubles Quilters

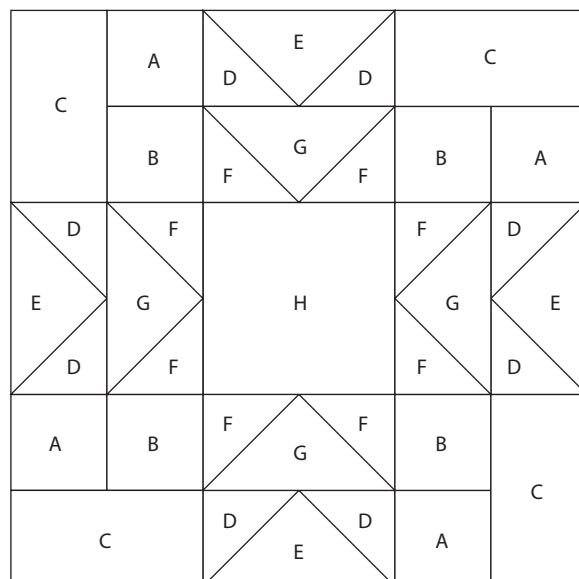

I've enjoyed playing with this star block using my Layered Patchwork technique in 30-Something, and now it's available in traditional piecing. Start with a feature fabric in the center star and add a softer color shadow, or go bold with a darker outline fabric. Whichever way you choose, it's a fun block with lots of possibilities in any size.

Press towards the B square.

Sew a C rectangle to the left side of the A/B unit
as shown. Press towards the C rectangle.

Repeat to make 4 corner units measuring $2\frac{1}{2}$ " (6" block) or $4\frac{1}{2}$ " (12" block).

On the wrong side of each D square, draw a line
from one corner to the opposing corner as shown.

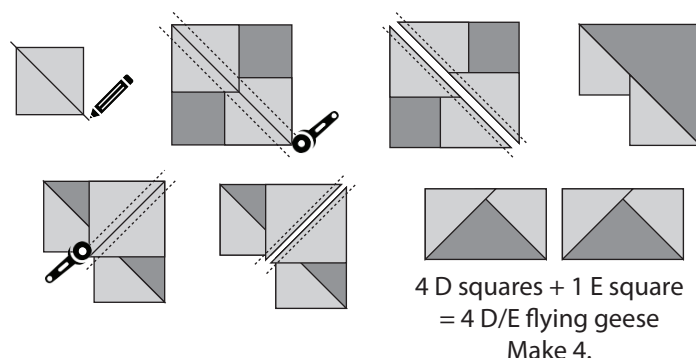

With right sides together, align 2 D squares in
opposite corners of the E square as shown.

Stitch a scant $\frac{1}{4}$ " seam on both sides of the drawn line.
