**STEP ONE: MAKE (8) HALF SQUARE TRIANGLES FOUR AT A TIME**

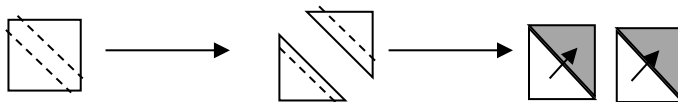

- ♥ Use the (2) 8" x 8" squares to make the HST. Refer to the cutting instructions to see which fabrics to use for the HST.
- ♥ Place the light square on top of the darker square right sides together (RST)
- ♥ I use a small Omnigrd™ ruler that has a centerline ¼" from both sides of the ruler. Place the ruler diagonally on the **wrong** side of the light fabric and draw a faint line on **each** side of the ruler using a marking pencil or chalk
- ♥ Stitch directly on top of each of the drawn lines

✂ Cut each set of the squares apart **horizontally** and **vertically** as shown. The cuts will be exactly 1/2 the size of the square

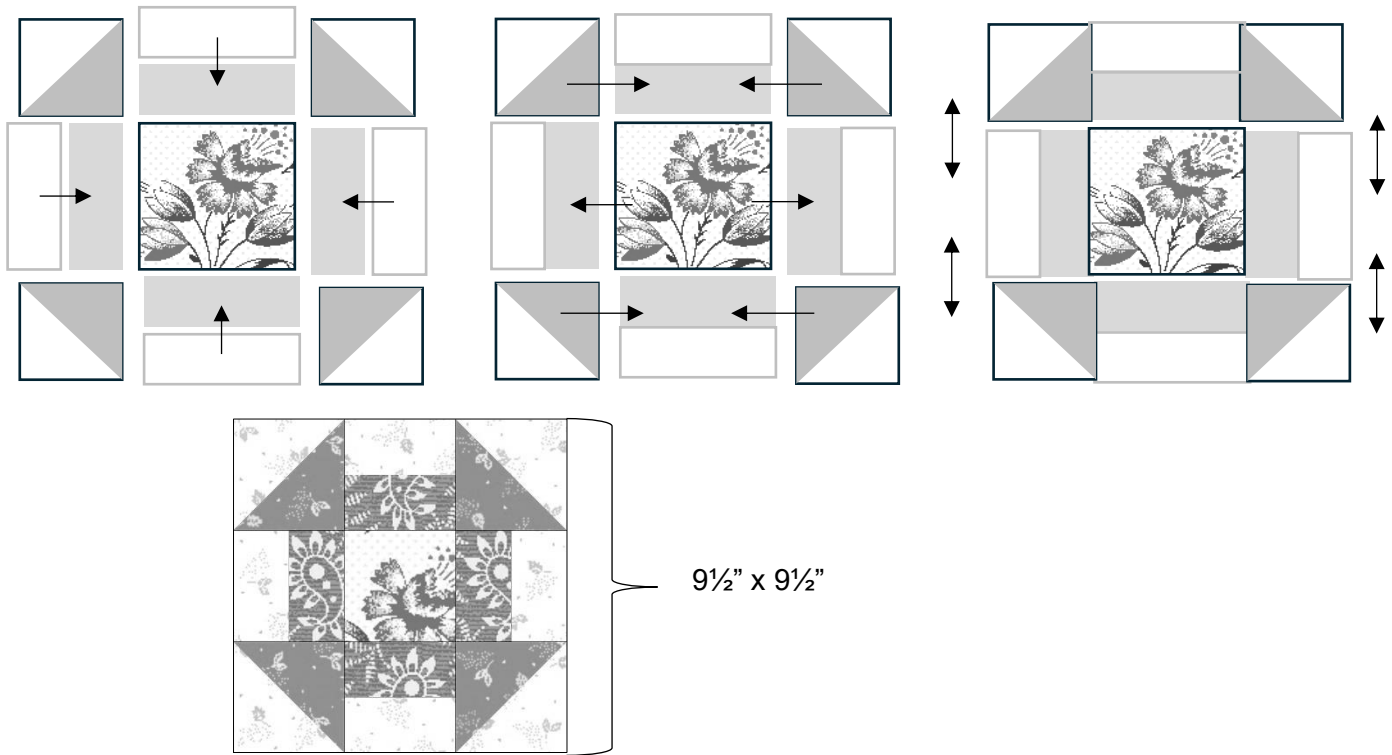

✂ Cut each of the 4 squares **diagonally** between the stitching lines into 2 half-square triangles

- ♥ You will have a total of (8) HST. You will be using (4) HST's in each block.
- ♥ Open, and then press toward the dark triangle in the direction of the arrows
- ✂ Trim the HST to 3½" x 3½".

**STEP TWO: PUT THE BLOCK TOGETHER USING THE DIAGRAM BELOW**

- ♥ Stitch the 3½” x 1½” rectangles together first. Press in the direction of the arrow.
- ♥ Next, stitch the HST to the rectangles. Press in the direction of the arrows.
- ♥ Then stitch the rows together and press the seams OPEN.
